

Trip & Accommodation Guide

Discover the Islands of Japan – April 19 to 29, 2026

Voyage Itinerary:

Day 1 – April 19: Arrival in Tokyo

Arrive in Tokyo and make your way independently to The Westin Tokyo Hotel. The city is served by two international airports: Haneda Airport (HND), located about 15 kilometres from the hotel, and Narita International Airport (NRT), approximately 73 kilometres away. Transportation from either airport to the hotel is not included and should be arranged in advance. To assist with planning, we've outlined **transportation options on page 2**.

Once at the hotel, you'll be welcomed at the on-site welcome desk. Please aim to arrive by mid-day, as a welcome dinner is planned that evening—a chance to meet your fellow travellers as you prepare for the journey ahead.

Included

Day 2 – April 20: Tokyo to Kanazawa

Travel to Kanazawa via the high-speed Shinkansen bullet train, where you'll board *Heritage Adventurer*. Once on board, settle in as we begin our voyage through the coastal regions of Japan and South Korea.

Days 3–10 – April 21 to 28: At Sea

Explore the rich culture, landscapes, and history of Japan and South Korea aboard *Heritage Adventurer*.

Day 11 – April 29: Disembarkation in Osaka

After breakfast, disembark the ship in Osaka. You'll have the option of a group transfer to one of the following:

- Kansai International Airport (KIX)
- Osaka Itami Airport (ITM)
- Hilton Osaka Hotel

If departing today, we recommend booking evening flights to allow for a relaxed and flexible journey home. Alternatively, you may choose to extend your travels independently.

Important Notes

- International flights to Tokyo and from Osaka are to be arranged independently.
 - We strongly recommend booking fully flexible, refundable air tickets in case of delays.
 - If you'd like to extend your stay with additional hotel nights before the expedition, please contact the hotel directly or speak with your travel advisor. Availability is limited.
 - The itinerary is subject to change based on local conditions, operational considerations, and other unforeseen circumstances.
