

# Bowmore Distillery Tour

## Optional Enhancement | *Scotland Slowly*

For guests with a deep appreciation for whisky, this optional tour offers a chance to go beyond the glass with a behind-the-scenes visit to Bowmore Distillery, located on the shores of Loch Indaal.

As Islay's oldest distillery, Bowmore is known for its rich heritage and carefully aged single malts. This experience includes access to the distillery's historic warehouse and a closer look at the processes that shape expressions like the Bowmore 18 Year Old—matured in hand-selected oak casks and renowned for its complexity.

Guests will learn more about the time, care, and craftsmanship that go into traditional whisky distilling on Islay.
