Your Adventure Canada Experience

Immerse yourself in the wonders of nature and culture. Travel alongside scientists, historians, naturalists, cultural educators, and artists, who share their passion and experience with you.

Adventure Canada's expeditions are more than phenomenal expeditions of a lifetime; they are lifelong learning journeys for the heart and mind. Your expedition is an immersive cultural experience both on and off the ship.

Our shipboard program is educational and fun. You can join daily presentations, debates, and workshops that provide perspective and understanding. Our expedition team—experts

OUR EXPEDITION TEAM—EXPERTS IN THEIR FIELDS—ARE APPROACHABLE, AVAILABLE ON DECK AND AT MEALS, AND ALWAYS ON SHORE DURING EXCURSIONS

in their fields—are approachable, available on deck and at meals, and always on shore during excursions. Our unique mix of entertainment and camaraderie is integral to our evening concerts, daily gatherings, and learning opportunities.

Each day, your onboard and onshore programming is thoughtfully planned to make the most of the local environment. Hiking, wildlife viewing, historic sites, community visits, and Zodiac cruising are regular activities. You can spot wildlife from the deck, take a polar plunge, relax in the hot tub, take care of yourself at a stretch class, or unwind with a great book from our onboard library. You choose the activities that are best suited to your abilities and interests.

Learn from the locals

Adventure Canada has a myriad of connections in the regions we visit; nothing beats being welcomed as an honoured guest. Esteemed local guides connect you to destinations, people, and culture—personally!

Safety first. Experience, foremost

You're in good hands: our expedition team members are experienced, knowledgeable, and attentive. They'll ensure your comfort and safety—then enlighten, inspire, and entertain you!

Our expedition team is at the heart of our programming—and there's something for everyone! Join us at presentations, workshops, discussion panels, Q & A sessions, and more.

Enriching Expeditions in Spectacular Locations

Your personal voyage of discovery

Explore and learn about new lands and peoples as you experience the rich cultures and fascinating landscapes we sail to. Take the road less travelled and enrich your perspective during visits to communities, natural habitats, and historic sites that can be otherwise difficult to reach.

Our expeditions are designed to be flexible and allow us to make the best of Mother Nature's conditions. We often make landfall at new places and are able to share new discoveries and local knowledge with you. Your voyage will be marked with thoughtful discussions, expert interpretation, and the spirit of discovery.

Get off the ship, get into a Zodiac!

Cruise among icebergs; search for marine mammals; visit an outpost community; wander remote coastlines... simply enjoy the freedom of being out on the water daily! Our goal is to get you off the ship as often as possible.

Zodiacs free us from the dependency on ports, piers, and other built infrastructure. These safe, stable, versatile boats take you where the action is.

Learn from passionate experts

Why would an esteemed Canada Research Chair, for example, travel with us on a working vacation? It's simple: they can't resist the opportunity to engage, excite, educate, and enlighten you! Make the most of every learning opportunity, aboard and ashore, in geology, botany, marine biology, archaeology, photography, cultural history, and more!

Our hand-picked experts are as excited as you are to be on board. Join them on deck searching for wildlife, share daily meals for personal in-depth conversations, participate in workshops, attend presentations, and learn on the land. The Adventure Canada team has a deep love for discovery, learning, exploration, and growth, and is at your service.

Experience local culture and traditions

From Arctic communities to the fishing villages of former New France, to the outposts of Newfoundland and Labrador, we embrace local music, dance, food, language, and traditions, everywhere we go!

Expedition travel isn't just about what you see, or where you go. It's who you meet and get to know.

Wildlife encounters

Daily excursions with expert guides put you where you are most likely to see wildlife: whales and seabirds in Atlantic Canada; muskox, seals, and polar bears in the High Arctic. Whether viewing on deck, in the Zodiac, or learning during our presentation series, you'll come away with an appreciation for the fine creatures that inhabit our world. Our best practices ensure the safety and integrity of the wildlife we have the privilege to view.

Itinerary

DAY 1: ST. JOHN'S, NL, CANADA

Welcome to St. John's—the vibrant capital of Newfoundland and Labrador. Sailing out of the historic port, Signal Hill keeps watch as we exit the world-famous narrows. The charming houses of The Battery are always a hit with shutterbugs. Watch for icebergs, whales and seabirds as we sail!

DAY 2: AT SEA

We'll be in full-on learning mode as our expedition team shares the fascinating history and ecology of Sable Island. On deck, we'll be watching for marine mammals and seabirds in the rich waters of the northwest Atlantic.

DAY 3-4: SABLE ISLAND, NS

A sandbar as long as Manhattan—but only about a kilometre wide—Sable Island is home to many varieties of birds, including the Ipswich Sparrow; the largest grey seal colony in the world; and the world-famous Sable Island horses.

Unique weather conditions prevail at Sable Island. We'll maximize opportunities to walk the dunes, cruise the shores and view the wildlife. We'll also learn first-hand about Sable Island's fascinating human history.

DAY 5: THE GULLY MARINE PROTECTED AREA

The Gully is a Marine Protected Area where the sea floor plunges two and a half kilometres into a submarine valley. The Gully is one of the most prominent undersea features in eastern Canada. Significant coral communities make for a diversity of both shallow and deep-water fish, which draws whales and dolphins.

Join our on board researchers to appreciate the abundance of marine life!

DAY 6: FORTRESS OF LOUISBOURG

Built by the French in 1720, the fortifications at Louisbourg were captured by the British in 1745, later returned to the French, captured again in 1758 and then destroyed.

Reconstructed in the 1960s and 1970s, the Fortress of Louisbourg National Historic Site offers a telling glimpse into military colonial Canada.

DAY 7: BIRD ISLANDS & CAPE BRETON ISLAND

Conditions permitting, we'll enjoy a Zodiac cruise at the Bird Islands, just off Cape Breton's coast near Cape Dauphin. This critical seabird

nesting and breeding area includes the largest colony of Great Cormorants in Canada. We'll also be looking for Black-legged Kittiwakes, Razorbills and Atlantic Puffins, Black Guillemots and perhaps Leach's Storm-petrels.

Cape Breton island is a bastion of Gaelic music and culture, "more Scots than the Scots." Its rugged highlands and wind-swept coasts are home to the world-famous Cabot Trail and Cape Breton Highlands National Park.

DAY 8: CHÉTICAMP

Today we call in at the fishing village of Chéticamp, on the western shore of Cape Breton Island. A busy fishing harbour, rug-hooking museum, shops and restaurants offer a taste of Acadian heritage.

Nearby Cape Breton Highlands National Park is world-renowned for scenery and wildlife. If weather permits, we'll hike the spectacular Skyline Trail.

DAY 9: PRINCE EDWARD ISLAND

Historic Charlottetown, Prince Edward Island is known as the Birthplace of Confederation. A charming town and the capital of Canada's smallest province, Charlottetown offers access to all of PEI within a relatively short drive.

Optional excursions will include a visit to Green Gables, —fictional home of the famous Anne—, and Lennox Island Mi'kmaq First Nation.

DAY 10: SOUTH COAST NEWFOUNDLAND

The wild and windswept coast of southern Newfoundland is home to a few remaining outpost communities. Visits here are often a highlight of our trips.

There are many choices of unique bays and coves to explore via Zodiac or land excursions. Along the coast, the geology is outstanding, and the plant life is gorgeous. We'll be on the watch for wildlife too. We'll make the most of every chance to explore this beautiful and remote coast.

DAY 11: SAINT-PIERRE, FRANCE

Just off the shores of Newfoundland lie the islands of Saint-Pierre and Miquelon—an official territory of France.

The colourful town of Saint-Pierre makes a charming finale to our trip. Winding streets with shops, houses, and cafés bring a taste of Europe to the east coast of North America.

DAY 12: ST. JOHN'S, NL, CANADA

On the final day of our expedition, we sail back through the picturesque Narrows and into St. John's harbour. We will say our farewells in North America's oldest city.
