## Abstract

(JMIR Preprints 09/04/2021:29507)

DOI: <https://doi.org/10.2196/preprints.29507>

## Preprint Settings

1) Would you like to publish your submitted manuscript as preprint?

✓ **Please make my preprint PDF available to anyone at any time (recommended).**

Please make my preprint PDF available only to logged-in users; I understand that my title and abstract will remain visible to all users.

Only make the preprint title and abstract visible.

No, I do not wish to publish my submitted manuscript as a preprint.

2) If accepted for publication in a JMIR journal, would you like the PDF to be visible to the public?

✓ **Yes, please make my accepted manuscript PDF available to anyone at any time (Recommended).**

Yes, but please make my accepted manuscript PDF available only to logged-in users; I understand that the title and abstract will remain visible only to logged-in users.

Yes, but only make the title and abstract visible (see Important note, above). I understand that if I later pay to participate in a peer-reviewed journal, I will be able to remove the preprint label and make the full manuscript available to all users.
