Dear Members of Breast Cancer Action,

As we enter into another year here at BCA, we look forward to all of the new and exciting opportunities in Ottawa for an organization supporting women diagnosed with breast cancer. We have found in our community a huge amount of support for our cause, and look forward to reaping the rewards of becoming engaged with other organizations in the city.

As such, there is something that I would like you to consider: contacting the BCA office to volunteer for some of our upcoming events and activities. We are in the fortunate position of having a relationship with several organizations willing to host fundraisers on our behalf, in order to ensure that the women of BCA can continue to enjoy our fitness classes, our educational workshops and sessions, and our outreach programs. All that they ask is for us to have a presence at these events, to show how important their support is to an organization that receives no government funding. We need to provide a show of force at these events or they will look to other charities who appear more appreciative.

In light of this call to action, a huge event we have coming up is H.O.P.E Volleyball on July 16. We need 60 volunteers to cover three shifts of our assigned duty, parking coordination. For our efforts, BCA will receive $20,000 to help with running our programs. This is a huge boost to our fundraising efforts! Please consider giving a few hours of your time to ensure that we can provide you with the best services that we can!

Please call or email BCA to learn about or sign up for volunteer opportunities. There is always something to help with and your involvement is greatly appreciated and needed!

Rhonda Evans
President, Board of Directors
Breast Cancer Action

Upcoming Events at BCA:

- **June 21st**: Shimmy Into Summer Showcase, Centrepointe Theatres (Studio Theatre), 6:30pm
- **July 16th**: H.O.P.E. Summerfest, Mooney's Bay Beach, 7:00am-6:00pm
- **August 11th**: 10th Annual BCA Golf Tournament of Hope, Glen Mar Golf Course
- **August 26th**: Twins' Cause Golf Tournament, Hammond Golf Course
Moving Forward: A Report from the Executive Director

With the ever increasing costs and participant demands of the fitness programs, it is imperative that members who wish to keep attending our “free” classes engage in BCA programs, events and fundraisers. Here are just a few ideas:

- Make a donation to BCA
- Attend at least one of our major events (i.e. Golf Tournament in August, Pub Fundraiser in September, Gala in November) The cost of attending one of these events is the equivalent of what it would cost to participate one of the many fitness programs offered by the City of Ottawa and private Fitness Clubs.
- Donate a prize or prizes for our silent auctions
- Have a targeted donation event (i.e. invite friends for a theme dinner and ask them to make a donation, or in lieu of BD/Anniversary gifts ask them to make a donation in your name to BCA)

Third Party Events

Third party events are fundraisers that are run on behalf of BCA by individuals and businesses in our community. These are great events that market BCA to the community and often the people running the event absorb most of the cost. We the staff, volunteers and members just have to show up. Thus far, BCA membership have not supported these events enough to encourage repetition. This is unfortunate because these events can potentially raise mega-bucks for our programs and if we don’t start showing our support by attending and participat-

For example: Walkley Bowling Lanes ran a Bowlathon for us in February. With the exception of one staff, two volunteers, a donation from a board member, and a team put together by another board member, BCA did not have a strong presence. In short, a group of complete strangers, with great warmth and generosity raised over $8,000.00 for our Programs. The organizer was thoroughly disappointed that our members did not participate. His intention was to make this an annual event but he was so discouraged by the lack of BCA support, he was not motivated to do this next year. I convinced him to give us a second chance—with the expectation that BCA members would indeed participate.

Membership Engagement

BCA is introducing a page on our website for newly diagnosed ladies. This page will be developed specifically to assist women by providing resources, anecdotes, tips and ideas for coping, nutritional tidbits, etc. This is where you come in! From time to time, BCA will be sending out requests for you, as members, to contribute to this page. We will be asking you to share your experiences with other women and families and friends who are new to the journey. We encourage you to take these opportunities to pay it forward and make one small part of a diagnosis easier for others.

PROGRAM ACTIVITY: January 2015 to December 2015

Volunteers continue to be the heart of BCA and in order to maintain and increase the corps of volunteers we need, there needs to be a dedicated effort to recruiting, orienting, training and managing these valuable assets.

RECRUITMENT OF NEW VOLUNTEERS

Our volunteers continue to be a cross section of the population, including high school students, college/university students and graduates, Breast Cancer Action members and their families, retirees and members of the public at large. Our volunteers provide a wealth of skills, experience and knowledge that they share with BCA. This can include knowledge of varying linguistic and cultural backgrounds, personal and professional experience and network engagement.

We recruit our volunteers through various means. First, our own membership is contacted through e-mails, our website and our quarterly newsletter. Individuals outside of our membership can contact us through Volunteer Ottawa, school counselors, our website or more recently as a result of public service announcements on numerous radio stations. We also offer internships for students in programs at Algonquin College.

AREAS OF VOLUNTEER INVOLVEMENT

Volunteers participate in a wide variety of activities and pursuits that support BCA. These activities include but are not limited to:

- Participation on the Board of Directors
- Teaching classes or workshops
- Office Support
- Committee work/Third party events
- Fundraising and donation solicitation
- Support staff at pre-operative sessions
- Peer support
- Special events assistants
- Grant writing
- Developing partnerships
- Corporate Sponsorship
- Volunteer Coordinator

LOOKING TO THE FUTURE

Over the past couple of years, BCA has only been able to coordinate volunteers on an ad hoc basis, using the efforts of a few dedicated volunteers to organize others when required. This did not allow for proper documentation of volunteer hours or for timely volunteer training sessions. There is a need for a volunteer coordinator for 2016 and beyond.
