

A better start for every child.

The Breakfast Club is here for you and your students!

The Club has been working with schools for 30 years and currently supports more than 600 schools across Quebec.

breakfastclubcanada.org

BREAKFAST CLUB OF CANADA AT MY SCHOOL MEANS:

A full nutritious breakfast, available every school day to all students.

An inspiring school project that adapts to your reality and complements what is already in place, ensuring realistic and sustainable implementation.

A key to success for your students with real, positive impacts such as alleviating hunger, improving learning capacities and behaviour, and creating a caring and inclusive school community.

APPLY NOW!

Elementary and secondary schools with a socio-economic environment index of 7 to 10 are eligible for funding for a breakfast program.

To apply for support, please complete [the online form](#) and your school will be placed on our waiting list.

If you would like to find out more about The Breakfast Club's support before submitting an application, contact us at programs@breakfastclubcanada.org

SUPPORT OFFERED BY THE CLUB

- ✓ Personalized support from your regional Club coordinator.
- ✓ All necessary equipment provided, ranging from commercial refrigerators to toasters.
- ✓ Comprehensive, ongoing training for the person in charge of the program, whether a volunteer or a member of the school team.
- ✓ A library of resources on subjects such as nutrition and your program's operations is available in our School's Corner.
- ✓ Types of support:
 - Food delivery from our centralized warehouse (choice of 4 menus)
 - OR
 - Financial support for your school to make purchases locally
 - OR
 - Possibility of establishing a partnership with a local community organization to facilitate the management of your program.

For more information, see our document [Step-By-Step Guide to Setting Up Your Breakfast Program](#).
