

October 20, 2013 - The Holy Spirit: Working In Me For Service

Small Group Questions

1. What actions can I take to ensure that I am continually filled with the Holy Spirit and ready to be used?
2. I am equipped to serve! Do I know what gift God has equipped me with? Ask those around you what they think your gift is.
3. How do I know that the Holy Spirit is leading me?
4. What I do in service to God is significant. How so?

Breakout

- Is there anything in my life, however little, that exercises control over me other than the Holy Spirit? What intentional steps am I going to take so that only the Holy Spirit fills and controls me?
- I need to serve with what I have right now! Am I serving according to my gifting and capacity? Ask those in your breakout group what they think.
