## GROUP STUDY QUESTIONS

**1) The Apostles record in v. 6-10 times when the Spirit led them, once by forbidding them to reach a destination and once by calling them to a destination.**

- When is a time in your life God closed a door and realigned you with His path? Was it easy to change your plan for His?
- How can we be sure when it is the Spirit leading us towards a new destination?

**2) Read James 4:13-15.**

- How does keeping our focus on eternity help us give our plans to the Lord? How does it help us prioritize serving Him?
- What is the importance of community in understanding God's will for your life?

**3) Richard Longnecker said "...Christian response to the call of God is never a trivial thing. Indeed, as in this instance, great issues and untold blessings may depend on it."**

- How can we encourage one another to obey and follow wherever the Spirit may lead? How can the blessings for our obedience be both personal and communal?
- What opportunities do you have in your life to serve the Lord, both in service and in sharing the Gospel?
