## GROUP STUDY QUESTIONS

### 1. READ Matthew 6:16-18

- Is fasting something I practice regularly in my life and in my walk with God?
- Why should fasting remain a private/personal thing between us and God?

### 2. With Jesus it's all or nothing

- What are some reasons why it was such a struggle for Pharisees then, and many others today, to trust in Jesus alone for salvation?
- Read 1 Peter 1:8-9. Why is there such joy anytime someone comes to Jesus for salvation?

### 3. Many people think God is always and only angry.

- What else does Scripture teach us about God that proves this to be untrue?
- How does the grace that God shows us impact our interactions and dealings with other people?
