January 12, 2025

*When I see the mess I make, I will acknowledge my need for...*

*...the real Jesus 14-16*

*...pursuing him daily 17-26*

*...no matter the cost 27-29*

## GROUP DISCUSSION

### 1. READ Hebrews 4:14-16 & 1 Timothy 2:5

- How does it comfort us knowing Jesus stands as mediator between men and God?
- How can I respond to those who believe Jesus was just another man, teacher, or prophet?

### 2. Pursuing anything else but Christ still leaves you empty.

- Read Colossians 3:1.
- Which of the following do I tend to struggle with? How can I set these aside so that I can pursue Jesus to my fullest?
  - i. Self-gratification
  - ii. Bitterness
  - iii. Worldly approval

### 3. Christians often get to a place of fearing the cost that may come from knowing Jesus and living all out for him.

- Why should I be mindful of God's provision and sovereignty in these times?
- What are some Scripture verses that can help me when I fear persecution/rejection for my faith?
