## GROUP DISCUSSION

- 1. Whether you find yourself in rebellion, ignorance, or discouragement God is always God, and he always reigns.**
  - Why do people tend to blame God instead of humbling themselves and trusting him when things go the wrong way?
  - When I consider my walk with Jesus, am I currently giving him all my heart, or only the bare minimum?
- 2. Jesus alone has the power to turn your hopeless end to endless hope.**
  - Why do we tend to turn to other things or other people for safety, provision, etc., over God?
  - When sin creeps back in, will you turn back to God, who is our hope of steadfast love?
- 3. We may never fully comprehend why God spares anyone, even us, but seeing he chooses to save any sinner, we cannot deny his amazing power and grace.**
  - READ Isaiah 54:10 and DISCUSS the greatness of the Lord and his compassion.
