Christ is the message of the mission of God, And so...

...I will persevere in the faith (1:23a)

...I will be unshaken by circumstance (1:23b)

...I will be full of hope (1:23c)

...I will proclaim Christ to all (1:23d)

GROUP DISCUSSION

1. Do you know people who think that they are saved simply because they made a decision (easy-believism), but show no evidence of being a Christian now? Based on God's Word alone, are they saved? What Scriptures help us know this?
2. We looked at the words "stable" and "steadfast" in 1:23b. If these words do not describe your Christian life, what would it take to change that? In what ways could you look more intently at Jesus and find stability and steadfastness?
3. How does the Christian's hope differ from the secular world?
4. Think of the people in your life who are still in their sin and need Christ. Make a list for the group and pray for each other in your mission to proclaim Christ to them.
5. Learning a bit of Latin in this series was cool, but share one more thing that you found personally impactful about the three messages in the Made for More series.
