February 15, 2026

*Christ's faithfulness to the Father calls me to...*

*...surrender fully to his will 32-42*

*...respond in love to those who disappoint 43-49*

*...follow him as best I can 50-52*

## GROUP DISCUSSION

1. How is Christ's faithfulness revealed in the fact that despite the constant negativity, resentment, betrayal, denial, and abandonment, Christ still went to the cross to save sinners?
2. Hebrews 5:7 says that God heard Jesus' prayers in the garden, yet there is no record of an audible answer. What can we learn from Jesus in this? What are some of the lies you tend to believe when God is silent, and what truths should you recall instead?
3. Discuss why Christ's response to Judas, the religious leaders, and the crowds was an expression of his great love. What relationships in your life call you to respond in love, reflecting Christ?
4. Why is perseverance important in our pursuit of Christ? What biblical truths will sustain us when our weaknesses, failures, and limitations surface?
