Mark 15:42-6:8 // Patrice Charade  
April 5, 2026

*When I finally come to grasp the real Jesus, I will...*

*...accept his sacrifice 42-47*

*...believe his resurrection 1-6*

*...anticipate his appearing 7-8, 9-20*

## GROUP DISCUSSION

1. What is something you know won't truly satisfy the "God-sized hole" within you, but you still find yourself going back to, and why?
2. When it comes to Christ's sacrifice, why is there such a struggle to admit our need and receive his forgiveness?
3. We were left wrestling with the realities of what Christ's resurrection and future appearing mean for us. How does this hope shape the way you live today, and where do fear or doubt still hold you back from fully embracing Christ?
4. Spend some time in prayer thanking Jesus for the cross and His resurrection, and pray for people you know who, knowingly or unknowingly, are looking for the Kingdom of God.
