GROUP DISCUSSION

1. How does our culture's definition of love clash with what the Word reveals to us about Real Love?
2. Which aspect of God's love is hardest for you to accept, and why? (i.e. his sacrifice, his discipline, his justice, etc.)
3. Read Matthew 7:21-23. If we aren't meant to "follow our hearts", then what should guide us? What voices tend to influence our decisions the most? (i.e. feelings, culture, others, God's Word)
4. How does understanding that Christ was the appeasement for your sin, the payment for your debt, and your substitute impact your view of his love for you?
5. When you look at your relationships, how might your love for others show that God is at work in you and that his love is being perfected in you?
