GROUP DISCUSSION

1. Why is it that my boldness for the Lord can so quickly turn to hesitation when obedience to him becomes personal or costly?
2. Is there an area in my life where I feel the tension between following God and following something else?
3. Compare and discuss the individual responses to God in our passage: Obadiah (hesitation), Elijah (obedience), Ahab (resistance), and Israel (wavering).
4. The false prophets were persistent in crying out to Baal, but "no one answered." Share a time when you looked to something other than God for approval, comfort, or success? What was the result?
5. Elijah continued to trust God's promise of rain even when there was no rain cloud in the sky. What can this teach us about trusting God even when we can't yet see what he is doing?
