*Stepping into the waters of baptism, I...*

*...obey Christ's command (Matthew 28:19-20)*

*...declare my faith (Acts 2:37-38)*

*...proclaim the gospel (John 3:3)*

*...point to my future hope (Mark 1:4, 15)*

## GROUP DISCUSSION

1. READ Acts 8:26-39. What stands out to you as you read the account of the Ethiopian eunuch?
2. Take some time to share how you came to faith in Christ and, if you have been baptized, recall the joy of taking that step of obedience.
3. What charges does Matthew 28:19-20 place on us as followers of Jesus, and how should that be reflected in my witness and walk with Christ?
4. Pastor Patrice reminded us that obedience to God always brings blessing. What are some of the blessings and benefits you have experienced as a result of submitting to God in your life, whether in baptism or otherwise?
5. How does believer's baptism by immersion point us both to Christ's finished work of redemption and to the joyful hope we have in his return?
