*Gathering at the Lord's table, I am invited to...*

*...come with a sincere heart 17-22, 27-34*

*...give thanks for his provision 23-24a*

*...remember his body and blood 24b-25*

*...proclaim the gospel until he returns 26*

## GROUP DISCUSSION

1. Paul rebuked the Corinthians because their participation in the Lord's Supper was causing division rather than displaying their unity in Christ. What are some of the heart attitudes and relational issues that tend to hinder my fellowship with Christ and others?
2. What stands out to you about Christ's giving of thanks in the institution of the Lord's Table? How does regularly remembering the body and blood of Jesus deepen my thankfulness to him and shape my everyday worship?
3. In what way and to who does my observance of Communion proclaim the gospel, and how does it encourage me and renew my commitment to remain on mission and share Christ in my life?
