Leanne Hachey, Nova Scotia
Government

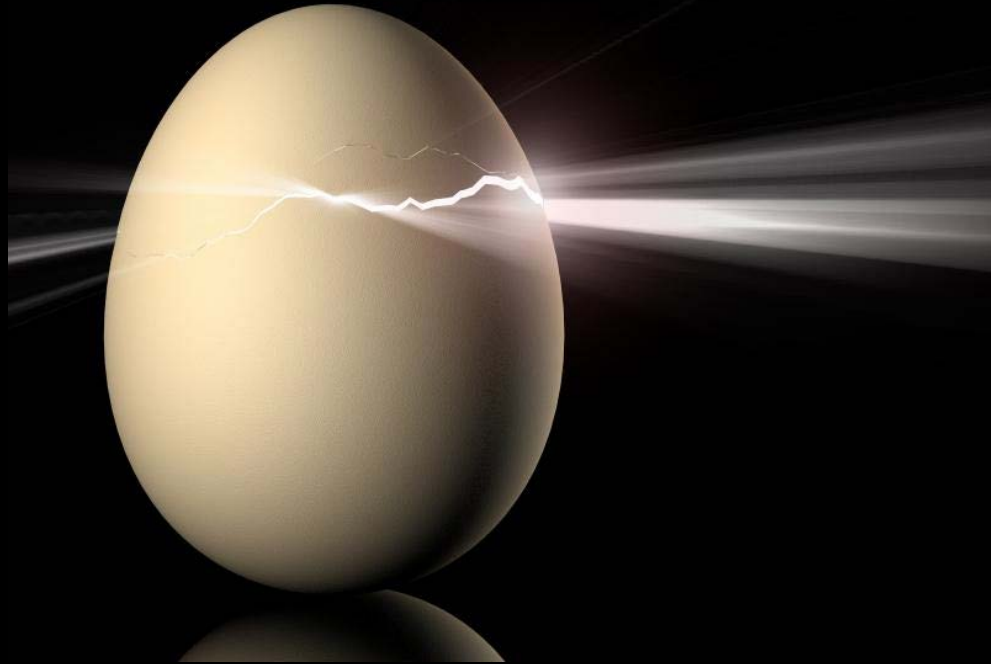

Dan Burns, Bombardier

David Turnbull, Transport Canada

Budget 2018

- How do we make Canada's regulatory system more agile, transparent and responsive so that businesses across the country can explore and act on new opportunities — resulting in benefits for all Canadians?

In order to innovate...

...we need to collaborate

**We need to
be more
open &
transparent**

**We need
to listen
and learn**

**So that we
can adapt.**

QUICKLY!

Panel Wrap up

- How do we create closer relationships that do not cross ethical boundaries?
- What mechanisms do we need to develop and maintain those relationships?
- What else do you want to know?
