

Super Compact EasyRiser Advantages:

- Patented secondary slide works in corners and on short returns (works like an extended mechanism but stows like a short arm)
- fully retracts on a 14³/₄" track
- Patented design offers a total travel range of 6" (152 mm)
- Independent tilt adjustment ($\pm 15^\circ$) maintains the selected tilt angle throughout the travel range
- Slim profile allows for maximum knee clearance when in use or retracted
- Spring assisted design provides effortless height adjustment
- 360° rear swivel for optimal keyboard tray positioning and easy storage
- Offers every advantage of the EasyRiser but with a shorter mechanism for stowing on shallow desk returns
- Available in durable black powder coat (standard), or with a choice of custom colors
- Installation hardware and instructions included
- Exceeds ANSI/BIFMA X5.5, 1998 industry performance standard
