

Steps to Develop our 2019-2026 Strategic Plan

PLANNING PHASE

November -
December 2018

Define our future state:

What is the desired future state for PHC in 7 years?

December
2018

Develop Strategic Directions:

What are the main areas the organization needs to focus on to achieve our 7-year Vision?

January -
February 2019

Identify Goals:

What do we want to accomplish for each strategic direction?

Establish Actions:

How will we get there? Develop short term (1 yr) and mid term actions (2 to 3 yr)

Determine Metrics:

How we will measure our progress

IMPLEMENTATION PHASE

April 2019

Launch the 7 year Strategic Plan:

What the organization wants to accomplish by 2026 and a high-level plan for how we're going to do it.

May -
July 2019

Translate the Plan:

Develop Program/Service/Department Plans
What does your Program/Service/Department need to focus on?
