

# City of Windsor SEWER AND COASTAL FLOODING MASTER PLAN

Riverside Drive East/East Riverside Area  
Coastal Flood Protection Property Owner Meeting  
Comment Form

Your participation in the Riverside Drive East/East Riverside Area Coastal Flood Protection Property Owner Meeting will be valuable in improving our common understanding of the issues, opportunities and constraints that are being considered in evaluating the alternative solutions. Please provide us with your thoughts and comments on the following questions. Thank you for your input.

Please complete your form and drop it in the comment box today at the PIC, or scan and e-mail it to us at [info@weatheringthestorm.ca](mailto:info@weatheringthestorm.ca).

**1. Please provide your name and contact information to be added to the project contact list.**

Name \_\_\_\_\_ Email \_\_\_\_\_  
Address \_\_\_\_\_ Phone \_\_\_\_\_

**2. Please indicate if your comments apply to a specific area, or all areas:**

**AREA 1**  
Ford to St.Rose

**AREA 2**  
St.Rose to Riverdale

**AREA 3**  
Riverdale to  
East City Limit

**ALL AREAS**

**3. Please describe flooding that you may have experienced on your property or in your home and whether it was caused by a major rainfall event (urban flooding) or high lake/ river levels (coastal flooding).**

---

---

---

---

**4. Please comment on the range of alternative solutions that have been presented, both in terms of their effectiveness in addressing the coastal/urban flood risks, as well as their impacts.**

---

---

---

---

5. Please comment on the evaluation of the alternative solutions, including the selection of the preliminary preferred solutions that have been identified.

---

---

---

---

---

---

---

---

6. Do you have any flood proofing measures installed either inside or outside of your home? If so, can you provide a description of these measures and whether or not they have been effective?

---

---

---

---

---

7. Other comments, questions or suggestions?

---

---

---

---

---

---

---

---

8. Overall, how well do you feel you understand the reasons for the alternative solutions and the basis for the selection of the preliminary preferred solution in each area of this study?
