Declaration of all Membership Categories

I hereby make application for membership renewal in the Canadian Home Builders' Association.

I certify that none of the principals of this company has been refused membership, refused renewal of membership or had membership revoked by any level of the Canadian Home Builders' Association across Canada.

I state that all information contained on this application to be true and accurate and I authorize the Association to undertake investigative procedures to confirm the accuracy of such information including but not limited to a verification of the credit worthiness. The Board of Directors reserves the right to reject any application for membership renewal in the Association, or to defer consideration of an application. Should my application for renewal be rejected, I agree to fully indemnify and save harmless the Association and its directors from any and all loss, cost, claims or damage of whatever kind and however arising as a result of such refusal of this application.

Information Disclosure Consent

It is the mandate of the Canadian Home Builders' Association at all levels; Local, Provincial and National, to provide information, promote membership and foster communication, i.e. catalogues of members, internet information, new products and services, etc. The applicant hereby consents to the use of the information in this application for such purposes (banking and credit card information exempted) by all levels of the CHBA.

Acceptance of Code of Ethics

I hereby acknowledge receipt of the Association's Standards of Practice, and I promise to operate my firm in accordance with the spirit and intent of these Standards of Practice. I understand that violation of any portion of the Standards of Practice will be subject to disciplinary procedures.

CHBA-CO Code of Ethics

Members and Directors shall comply with the Building Code of British Columbia as a minimum standard for construction and shall work toward its improvement in the interest of structural sufficiency, safety and health.

Members and Directors shall plan their sites and homes to conform to the principles of good community planning.

Members and Directors shall deal justly with their employees, sub-contractors, and suppliers.

Members and Directors shall co-operate to extend the effectiveness of the Association by exchanging information and experience, and encourage research on materials and techniques in order to provide better homes at lower cost.

Members and Directors shall uphold the principle of appropriate and adequate compensation for the services which they render.

Members and Directors shall avoid all conduct or practice likely to discredit or do injury to the home building industry.

These responsibilities are freely and solemnly assumed as they form part of an obligation as members and directors of the Association.
