

BASIC SUTURING WORKSHOP

Saturday, May 29 | 1:00-3:00pm

Supply List

Participants who wish to register for the Basic Suturing Workshop must acquire the following supplies:

- Plastic surface or sheet to work on
- Gloves
- A large pork hock or 6"x6" piece of side pork with skin
- Scalpel
- Scissors
- Toothed Adson forceps
- Needle driver
- 3/0 Nylon suture packs x 2
- 4/0 Nylon suture packs x 2

And of course, a computer/laptop with audio and camera. Camera must be able to capture your working surface. If you are using a laptop with built-in camera, tilting the laptop lid down towards your work-surface works well.

If you have questions about the supply list, please email michelle.b@ubc.ca.
