Your show is going live _____!

I wanted to thank you again for being my guest on “_____” podcast. Your show will be available on iTunes, iHeartRadio, Sound Cloud, Tunein Radio, Stitcher, Spreaker and Google Play Music. All links are available on my website at _____

Your gift will be available to all those who request to access the gift page from this point forward. Let me know if you want to change the link out in the future. It’s an easy fix and provides another evergreen access point for your optin. I believe there is value in marketing for each other.

Links to the show on iTunes, Sound Cloud as well as a direct download link are included below. You can grab a tweet and post from these networks as well, so feel free to share.

Please help to promote the show by sharing with your community and on social media. I will do the same. I would appreciate if you would subscribe to “The Holistic Entrepreneur” and write a review. It really helps to spread the word. The more visibility the show has, the greater reach we will have.
