

NOTICE

Watermain Repair

From: Thursday, June 12, 2025 10:30 am

To: Thursday, June 12, 2025, 8pm

The disruption includes:

The Town will be completing an emergency watermain repair within the area of North Street and James Street.

This repair will require a temporary loss of water or water pressure to residents with water services connected to water mains in this area, particularly the 300 block of North Street.

When pressure is restored, there may be some discolouration in the water. If you notice discolouration, please run cold water taps until the discolouration has cleared.

On behalf of the Town of Gananoque, we would like to thank you for your patience in this matter.

Sincerely,

Matthew Hoult
Superintendent of Water and Wastewater
