From: June 2, 2025	To: June 30, 2025
<p>The disruption includes:</p> <p>Please be advised that the Town of Gananoque will be conducting tree maintenance within the Town of Gananoque. This work is part of our regular efforts to ensure the over all health of our trees and to maintain the safety of public spaces.</p> <p>As part of this maintenance, some trees will need to be removed due to poor health, structural instability, or advanced decline. These decisions are made based on careful assessments and removal is only carried out when a tree poses a potential hazard or cannot be saved through other means.</p> <p>In areas where removals take place, future replanting will be considered.</p>	

On behalf of the Town of Gananoque, we would like to thank you for your patience in this matter.
