

NOTICE

Temporary Lane Reduction on East, West and North Town Gates

Monday February 2, 2026 to June 1, 2026

Weather and site conditions permitting

Donaldson Construction on behalf of the Town will be undertaking rehabilitation and maintenance work on the East Gate, West Gate, and North Gate entrances to the Town. This work is part of the Town's ongoing infrastructure maintenance program and is intended to improve the condition, appearance, and long-term durability of these gateway features.

The work may include surface repairs, cleaning, minor structural rehabilitation, repainting or refinishing, replacement of deteriorated components, and general maintenance activities. Some equipment and work vehicles will be present in the area while this work is completed.

During this time, residents may experience temporary impacts such as traffic delays, restricted access, noise, or short-term service interruptions. Emergency access will be maintained at all times.

The Town appreciates the patience and cooperation of residents while this necessary work is completed.
