

NOTICE

Disruption in Service

There is currently a planned service disruption. The estimated time of the service disruption will be:

From: October 5, 2026	To: October 9, 2026
The disruption includes: Traffic lanes on King Street East, from Charles Street to Carmichael Drive, will be temporarily shifted and/or closed while the Town and our contractor apply a protective surface treatment to all three driving lanes. Please follow all posted signage, traffic control measures, and detour routes. At least one entrance to all businesses on King Street East will remain open throughout the work; however, access may be temporarily limited at times due to construction activities. Temporary pavement markings will be installed following the treatment application. Line painting will be completed several weeks later to ensure proper adhesion to the treated roadway surface.	

On behalf of the Town of Gananoque, we would like to thank you for your patience in this matter.
