NOTICE

Tree Planting

From: November 9, 2026	To: November 9, 2026
Due to 10 Spruce trees at Town Hall outgrowing the planter boxes, the Town of Gananoque has replanted 10 smaller Spruce trees in their place. These newly planted trees are expected to remain in the planter boxes for approximately five years, after which they will be replaced as part of the Town's ongoing boulevard tree planting program. The original Spruce trees have replanted at various locations throughout Town, where they will have additional space to continue to grow.	

On behalf of the Town of Gananoque, we would like to thank you for your patience in this matter.
