GBM Canada 150 Outdoor Rink

The GBM Canada 150 Outdoor Rink will be remain closed for Maintenance due to extreme weather, Staff have been working diligently to get the rink in shape to open for the season. We had it open for December 24-26 then rain hit then a drop in temperatures ruined the ice surface. Staff have the ice surface just about ready but must reduce the amount of ice for all doors to operate safely and reduce wear on our compressors. We hope to have the rink open by the weekend. Schedules will be posted on the town website and social media. We will continue to monitor and maintain ice as weather allows.

Update: due to rain and temperature drop over the weekend and forecast for more snow it is looking more like Tuesday or Wednesday to get outdoor rink opened. We will continue to update through town website and social media as required.

There is also public skating inside the Lou Jeffries Arena. Please visit www.gananoque.ca for schedules and public skating times.

On behalf of the Town of Gananoque, we would like to thank you for your patience in this matter. Happy New Year to everyone
