APPENDIX #2: FULL SCHEDULE OF EVENTS

“COME TO CURL” AND “STAY”

GANANOQUE CURLING CLUB

The Gananoque Curling Club is excited to have a great fall/early winter lineup of Curling Events coming to our facility in the fall of 2026 and early winter December and January 2027.

While there will be numerous curling activities and events throughout the fall/early winter, there are 6 significant events booked at this time that will attract out of town tourists (curlers) to Gananoque. It is expected that those involved in these events from out of town, will stay minimum of 1 night in local motels, dine in local establishment and shop at our local retailers. Aside from these events, we are holding many other events throughout this time, that will attract people to Gananoque, but not likely spending the night in a motel, but will spend in restaurants, and shop at retailers during the day.

These events will have a positive economic impact, not only to the curling club, but to many local businesses during the off-season and providing Winter Tourism.

Re: Letter of Support for the Gananoque Curling Club Funding Application

The Gananoque Rotary Club is pleased to provide this letter of strong support for the funding application submitted by the Gananoque Curling Club.

The Curling Club is far more than a sports facility. It is a major hub of community activity within Gananoque and the surrounding area. Throughout the year, it brings people together through curling leagues, tournaments, and bonspiels that foster recreation, wellness, friendship, and community spirit for participants of all ages.

In addition to its sporting activities, the facility serves as an important gathering place for weddings, celebrations, special occasions, and community events. It also provides valuable meeting and event space for local service clubs and organizations, strengthening collaboration and volunteerism throughout our community.

The Gananoque Curling Club has consistently demonstrated its commitment to being a strong community partner. Its contributions extend well beyond curling, supporting the social and economic vitality of our town while creating a welcoming environment for residents and visitors alike.

The Gananoque Rotary Club recognizes the importance of maintaining and enhancing facilities that serve the broader community. We believe this funding application represents an investment not only in the Curling Club itself, but in the continued strength and connection of the entire community.

We respectfully encourage your favourable consideration of this application.
