If there is not enough space, please answer the questions below on a separate page.

The Club has hosted numerous events over the years but 5 of these 7 are new events. The 2 repeats events were very successful for the town, so we are doing them again.

APPENDIX #2: FULL SCHEDULE OF EVENTS

“COME TO CURL” AND “STAY”

GANANOQUE CURLING CLUB

The Gananoque Curling Club is excited to have a great lineup of Curling Events coming to our facility in the mid winter and early spring running January 2026 through to May 2026.

While there will be numerous curling activities and events throughout the mid winter/ early spring, there are 7 significant events booked at this time that will attract out of town tourists (curlers) to Gananoque. It is expected that those involved in these events from out of town, will stay minimum of 1 night in local motels, dine in local establishment and shop at our local retailers. Aside from these events, we are holding many other events throughout this time period, that will attract people to Gananoque, but not likely spending the night in a motel, but will spend in restaurants, and shop at retailers during the day.

We have many league curlers that play throughout the week that support our restaurants and stores on a weekly basis. Just this alone would be 100 people weekly supporting the Town.

These events will have a positive economic impact, not only to the curling club, but to many local businesses during the off-season and providing Winter Tourism.

To whom it may concern,

I am writing on behalf of the Thousand Islands Accommodation Partners (TIAP), the Destination Marketing Partner (DMP) for the 1000 Islands region. We are writing in support of the activities and promotion of Gananoque as a place to Curl and Stay.

The Thousand Island Accommodation Partners are proud to support everything that the Curling Club organizes as it is one of two focal points for activities during the winter months. Our organization has also committed to providing financial support for marketing for their events for this upcoming year as we recognize that they could be a crucial economic driver for the region during our shoulder seasons.

Thank you for your support of tourism in our community!
