

North Central Mobility & BRT Study Virtual Open House Instructions

Thank you for registering for the North Central Mobility & North Central BRT Studies Open House on February 9.

You can arrive at any time between 12:00 and 1:30 p.m. and stay as long or as little as you wish, but please give yourself enough time to be able to chat with each project team that you are interested in before the event ends at 1:30 p.m. Note that there is no formal presentation, and these are come-and-go style events where you will have the opportunity to chat with our project team members.

There has been a lot of information shared on our engagement website, we encourage you to review this information in advance of the session [Engage.calgary.ca/Greenline](https://engage.calgary.ca/Greenline), including two presentations: [Mobility presentation](#) and [BRT presentation](#)

Please join the main meeting room link first. Here you will be provided with an overview and instructions for the session. After the Main Room, you have the choice to navigate to the different break out rooms to chat with each of the project teams in which ever order is of most interest to you. If a room seems too busy, you are welcome to move to another, and go back to that room later.

HELP?

If any point you are experiencing technical difficulties, either return to the main room or contact Cassie.Brannagan@calgary.ca

New to using Microsoft Teams? [click here](#) for some tips and tricks to improve your experience.

MAIN ROOM - JOIN THIS ROOM FIRST

Meeting Link: [Click here to join the Main Meeting Room](#)
