

VISION + PROGRAM

“Civic Space: SoHo, will be a vibrant and welcoming gathering point for the SoHo neighbourhood, Londoners and visitors to the City. The square will support the redevelopment of the surrounding area; while highlighting and enhancing the heritage structures and recognizing the cultural and medical heritage of SoHo and Old Victoria Hospital.”

The square should be:

- inclusive and accessible
- a space that reflects the heritage of SoHo and Old Victoria Hospital
- open and flexible to future programming
- a destination for all Londoners and tourists alike
- of bold form and bold conceptually
- welcoming + inviting
- a point of pride and place people want to go/gather
- a place for informal gathering and for people to relax
- a destination and resting place for people moving along the Thames Valley Parkway
