

Notice of Open Houses
City of London Residual Waste Disposal Strategy
Environmental Assessment of the Proposed W12A Landfill Expansion

The City of London (the City) has initiated a study under the *Environmental Assessment (EA) Act* for a proposed expansion of the City's existing landfill (W12A), which is expected to reach capacity in 2025. It is proposed to increase the life of the landfill a further 25 years and increase the service area to a larger regional area. The regional service area could include: the City of London, County of Huron, County of Perth, County of Oxford, County of Elgin, County of Lambton, and County of Middlesex. It is also proposed to increase the residential waste diversion rate from 45% to 60% by the year 2022.

The City wants community feedback on the proposed expansion of the W12A Landfill and is hosting this first series of open houses as follows:

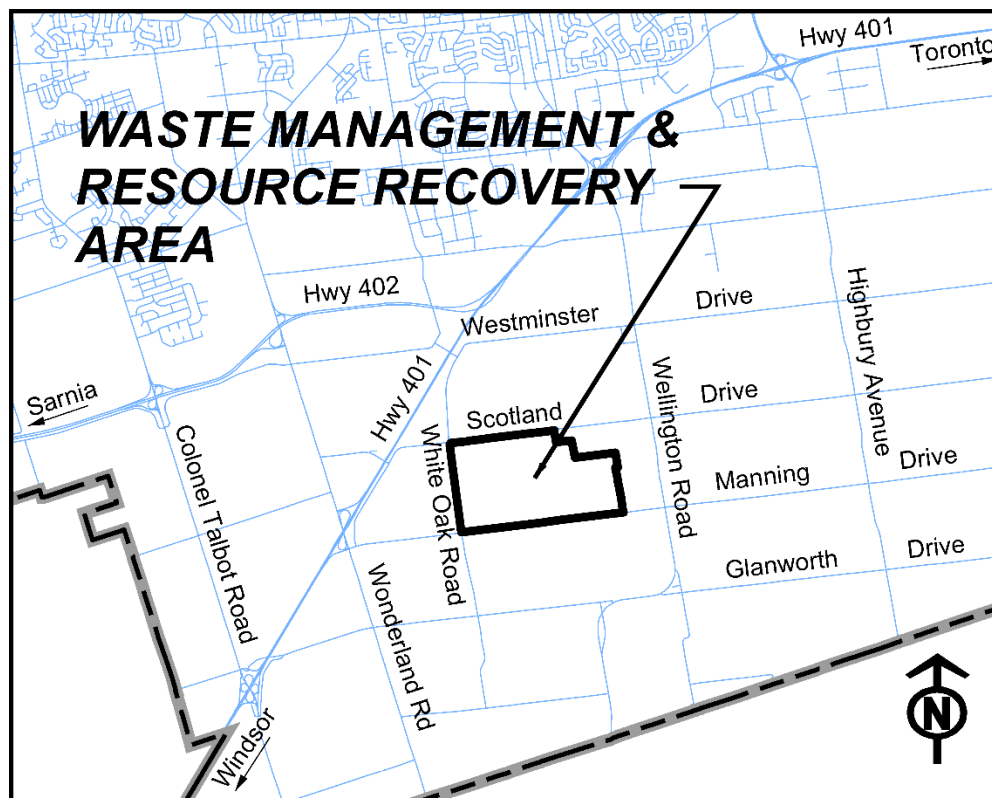

May 24, 2017

Horton Street Goodwill Industries (2nd floor)
255 Horton Street (at Wellington), London
2 - 4 p.m. and 5 – 8 p.m.

May 25, 2017

Lambeth Community Centre
7112 Beattie Street, London
2 - 4 p.m. and 5 – 8 p.m.

It is proposed that the landfill expansion will occur within the area on and adjacent to the existing landfill property, which is currently designated for waste management activities. This is illustrated on the map below.

At the open houses the public will learn about the current City of London waste management programs, the EA process, the long term resource recovery strategy, and how to be involved in the EA process. A main focus of the open houses will be to inform the public and seek input on the EA Process, the community engagement program, the "Alternatives To" residual waste disposal, the preferred "Alternative To" (the expansion of the W12A landfill), and next steps for the project. Attendees will have the opportunity to have one-on-one discussions with City staff and the project consultant.

If you wish to be added to the project contact list, or have questions, please contact City staff as noted below or visit the City's website at getinvolved.london.ca/WhyWasteDisposal and getinvolved.london.ca/WhyWasteResource.

Jay Stanford, M.A., M.P.A.

Director - Environment, Fleet and Solid Waste

Mailing Address for the above staff is:
Solid Waste Management Division, 8th Floor
300 Dufferin Avenue, P.O. Box 5035
London, ON N6A 4L9

All personal information included in a submission – such as name, address, telephone number and property location – is collected, maintained and disclosed by the MOECC for the purpose of transparency and consultation. The information is collected under the authority of the *Environmental Assessment Act* or is collected and maintained for the purpose of creating a record that is available to the general public as described in s.37 of the *Freedom of Information and Protection of Privacy Act*. Personal information you submit will become part of a public record that is available to the general public unless you request that your personal information remain confidential. For more information, please contact the MOECC's Freedom of Information and Privacy Coordinator at 416-327-1434.

Veillez noter qu'il vous est possible de nous communiquer vos commentaires ou vos questions sur le projet en français en les adressant à Trish Edmond dont les coordonnées sont indiquées ci-dessus.
