3	<b>STANDING ITEMS</b>
a	Update Resource Recovery Strategy (Between October 16 and November 20, 2017) <ul style="list-style-type: none"> <li>▪ <i>Information provided</i></li> <li>▪ <i>The Province released a Draft Plan for organics stating that municipalities over a given size must have an organics program. This will apply to London. There will be no funding from the Province.</i></li> <li>▪ <i>The Waste Free Ontario Act focusses on Extended Producer Responsibility (EPR). Companies that produce or import products will be fully responsible for having the products recycled or reused. Currently, industry provides municipalities with funding to cover approximately half of the cost of the</i></li> </ul>

	<p><i>recycling program; municipalities cover the rest of the costs. Once industry takes over, industry will either pay municipalities to manage the program (estimated for London to be between \$1.5 – 3 million/year) or industry will manage the program, which will result in the money that London used to spend on the recycling program becoming available for other uses. Council is suggesting to take this newly available money and use it for an organics program.</i></p>
b	<p>Next Steps – Resource Recovery Strategy</p> <ul style="list-style-type: none"> <li>▪ <i>Information provided about the upcoming Open House</i></li> <li>▪ <i>Members to attend Open House and decide among themselves what session they will attend</i></li> </ul>
