

GENESIS®

# 2018 GENESIS G90

# HUMAN- CENTRED LUXURY. IT'S ABOUT TIME.

The Genesis experience is like no other. Through Genesis at Home, you can bring the purchase and ownership experience to your front door. From the design of our finely crafted products to an unparalleled suite of service offerings, each element of the Genesis ownership experience is highly personalised with the customer in mind. Begin the Genesis at Home experience by visiting [genesis.ca](https://genesis.ca) or by contacting us at 1-866-999-9895.

TEST DRIVE  
WE COME TO YOU

The Genesis experience begins right at your front door. Through Genesis at Home, we invite you to schedule a personal product demonstration at your home or office.

PURCHASE  
WE COME TO YOU

To acquire your Genesis, browse and configure your vehicle online, get a price for your trade-in, and order your new vehicle for at-home delivery — all for one single, guaranteed price.

MAINTENANCE  
WE COME TO YOU

Enjoy ongoing stress-free ownership thanks to 5 years of complimentary scheduled maintenance — including at-home service and courtesy vehicles.

## INTRODUCING THE GENESIS G90

Akin to the moment when an archer focuses their entire strength and spirit into the tip of an arrow, Genesis vehicles are designed to embody the breathtaking beauty of energy exploding through masterful control. Introducing the G90: a sophisticated vehicle of luxurious proportions that originated with a human-focused design. Every millimetre of its body has been refined in wind tunnels to service the aims of aerodynamics, creating an airflow that's precisely orchestrated to quiet the cabin. The result is a peaceful travel experience, with an array of artful finishes and advanced technologies that will satisfy the senses.

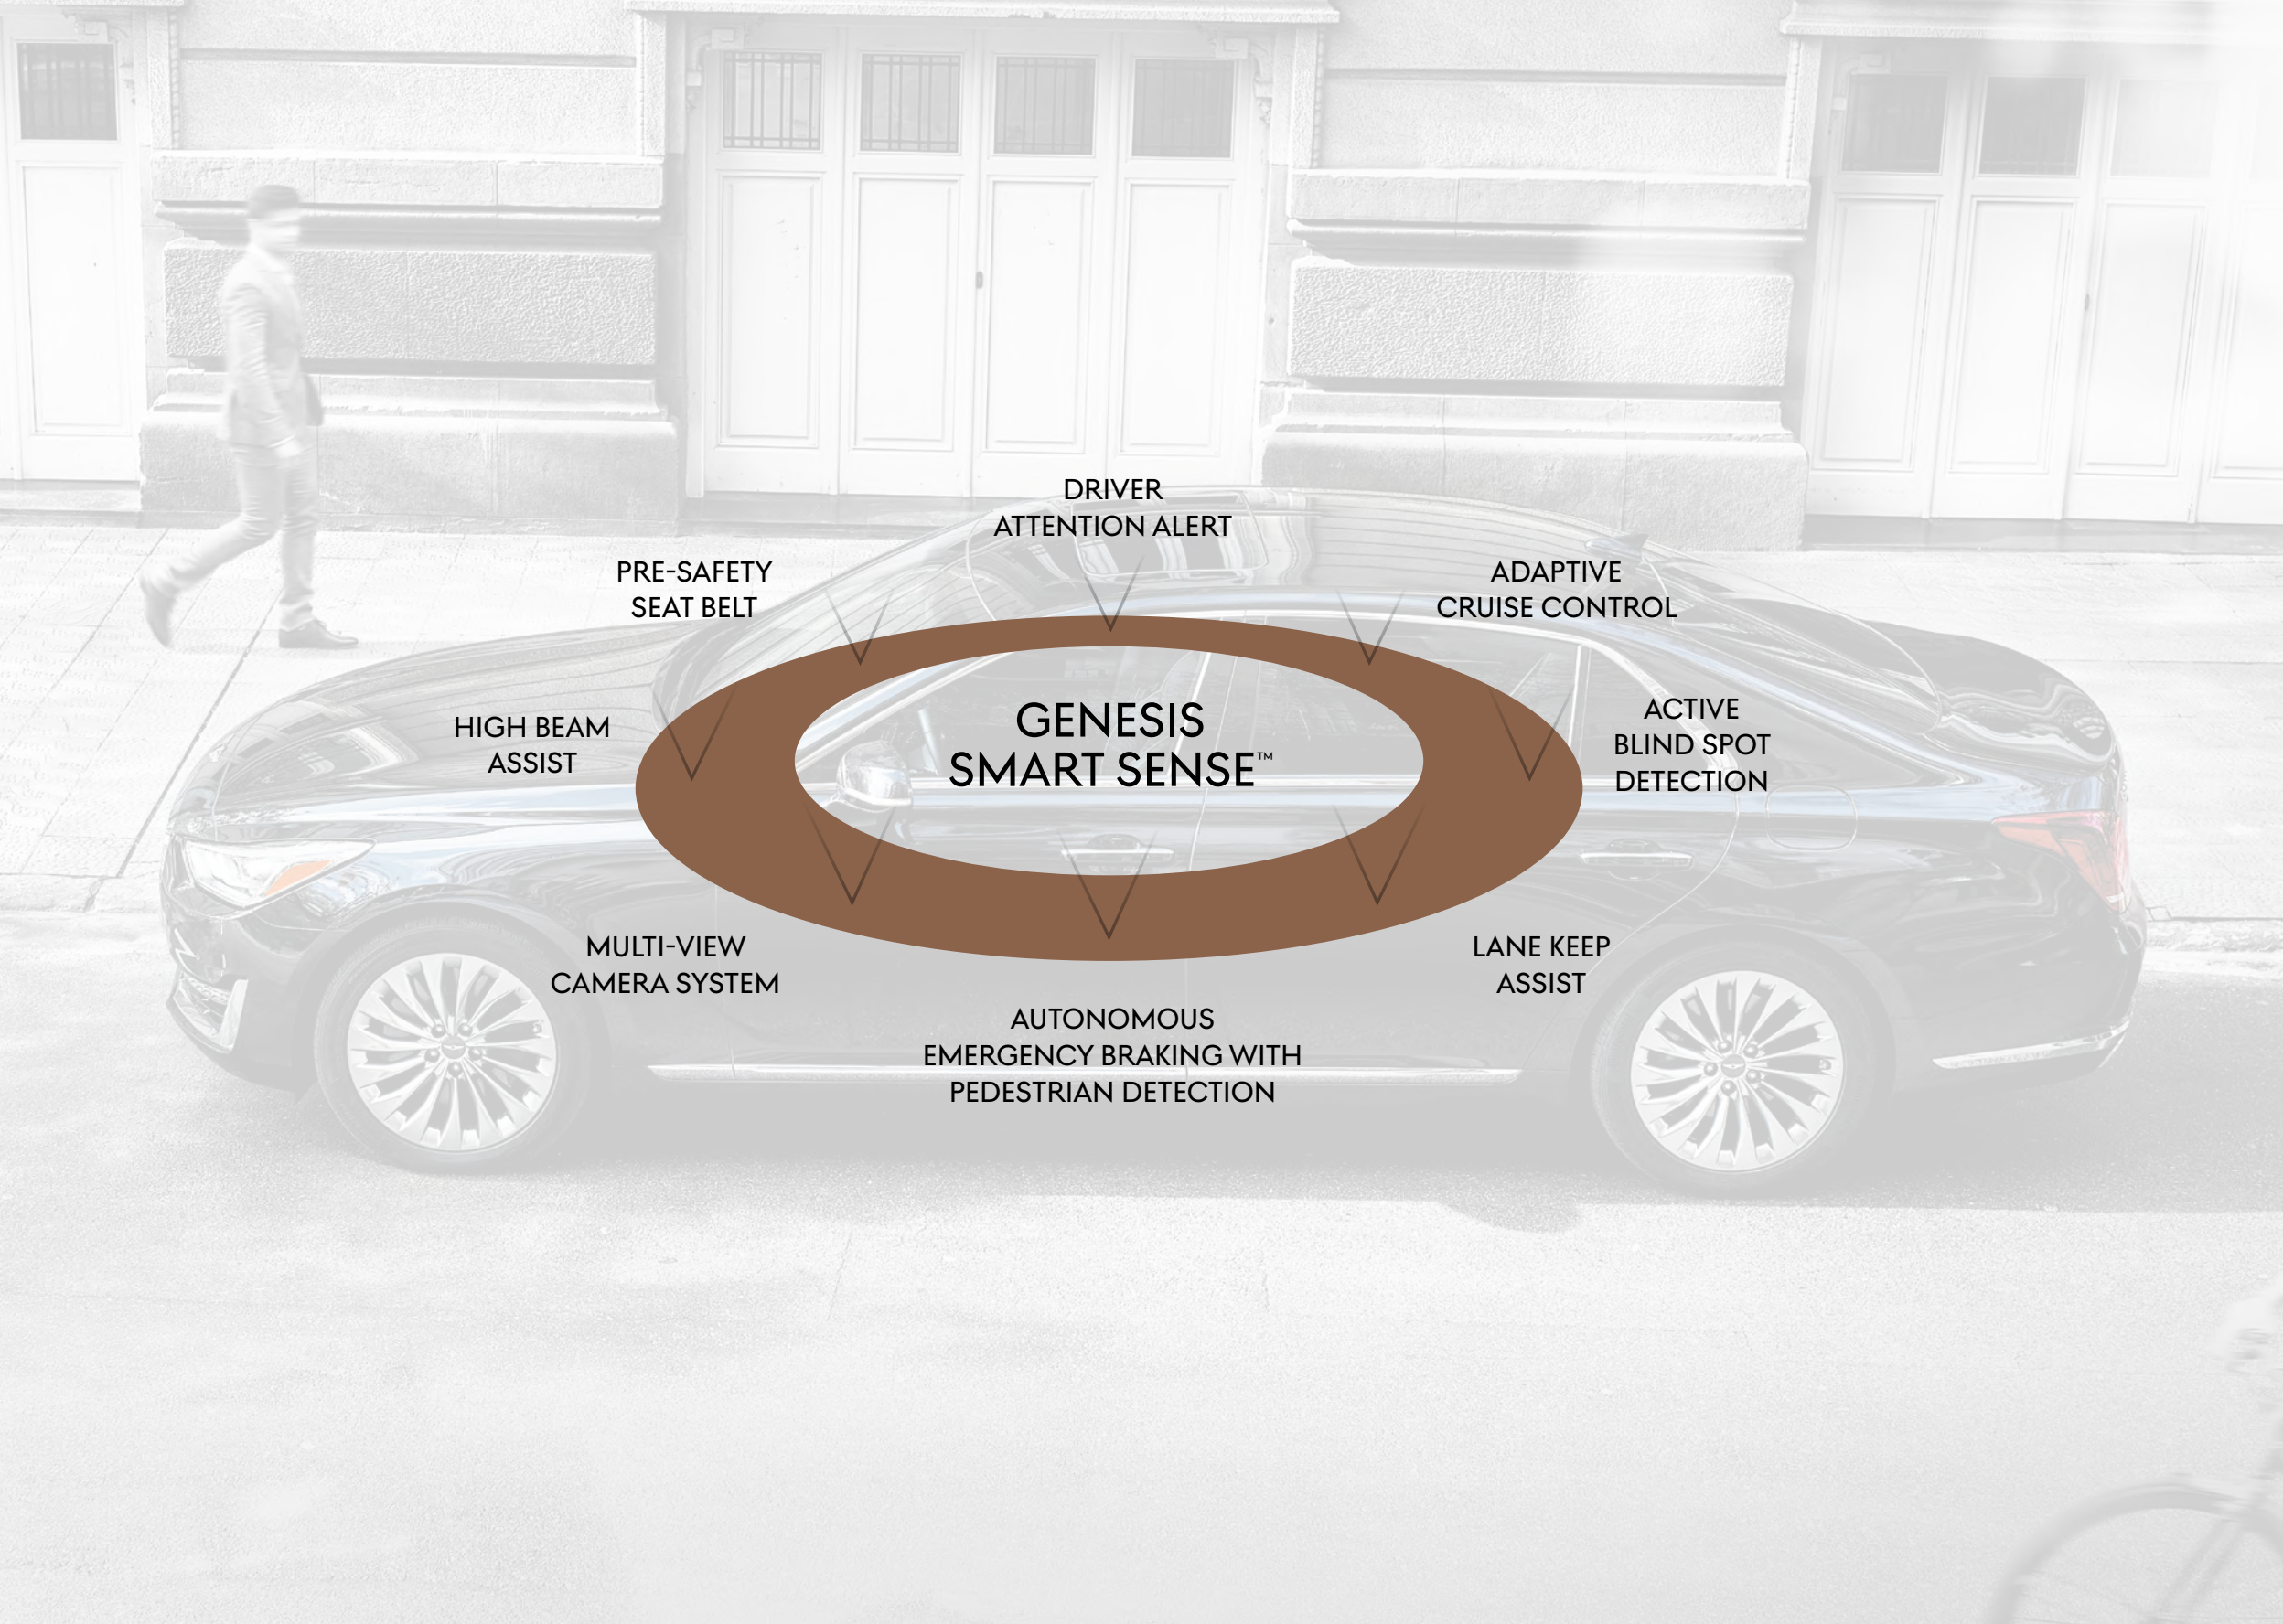

## REFINED PERFORMANCE

G90 moves at the driver's will in any situation and strives to maximize the pleasure of driving. Genesis vehicles are fine-tuned on Germany's famed *Nürburgring Nordschleife* racing circuit to ensure each one delivers an optimal balance of performance and refinement. As a result of this thorough testing, the G90 offers precise steering, responsive handling and confidence-inspiring stability, even at high speeds.

To further enhance its performance, it sits on an ultra-rigid platform with standard All-Wheel Drive (AWD). One of the industry's most advanced AWD systems, it provides enhanced traction in all weather conditions while contributing to the G90's engaging driving experience with a distinct rear-wheel torque bias.

GENESIS  
SMART SENSE™

## GENESIS SMART SENSE™

With advanced technological innovation at its core, the G90 features *Genesis Smart Sense™*, a suite of active driver safety technologies. Not only do these features cover the full spectrum of safety — keeping the driver alert and aware of their surroundings while monitoring the road ahead for potentially unseen hazards — but all of them also come standard.

# FORWARD-THINKING TECHNOLOGIES

## 01

### AUTONOMOUS EMERGENCY BRAKING WITH PEDESTRIAN DETECTION<sup>1</sup>

The Autonomous Emergency Braking function uses a forward camera and radar sensors to detect rapid closing speeds to the vehicle ahead. If a potential forward collision is detected, warning notifications alert the driver. The system can provide full braking assistance to help avoid an imminent collision at speeds between 8 and 75 kilometres per hour (vehicle detection) or 8 and 65 kilometres per hour (pedestrian detection).

02

**ACTIVE BLIND SPOT DETECTION<sup>2</sup>** Blind Spot Detection uses radar to detect when a vehicle is in the driver's blind spot and provides both an audible and visual alert to help keep you aware as you move down the road. If the driver inadvertently steers toward a blind spot obstacle, the opposite side front brake is applied to bring G90 back into its lane.

03

03

**LANE KEEP ASSIST<sup>3</sup>** Drift outside your lane without signalling and the Lane Keep Assist system first warns you with haptic vibrations through the steering wheel paired with audible and visual cues. If the vehicle continues to approach the edge of its current lane, Lane Keep Assist can provide steering assistance to bring the vehicle back on course.

04

04

**HIGH BEAM ASSIST** Using the front mounted camera and light detection technology, the High Beam Assist system automatically switches between high beam and low beam when traffic is detected ahead.

## ENGAGE YOUR SENSES

### 01

**A HUMAN TOUCH** Not every masterpiece hangs on a wall. Unwind in the comfort of the natural, full grain Nappa leather. Pause to appreciate the genuine wood inlays framed with aluminum accents. Regardless of where you sit inside the spacious cabin, you'll be surrounded by peerless craftsmanship.

### 02

**SILENCE CAN BE MOVING** The G90's spacious cabin is also one of the quietest in its class. Double soundproof glass, triple sealed doors, hollow wheels and a remarkably rigid body structure provide this exceptional level of silence.

### 03

**IMMERSIVE SOUND** The luxurious cabin is complemented by an impressive 900-watt 17-speaker Lexicon® surround sound system adorned with metal laser-cut grilles. The system boasts Quantum Logic® surround sound and Clari-Fi™ music restoration software that rebuilds details lost in compressed audio files. The result is a dynamically rich and fully satisfying listening experience that recreates the ambience of a recorded performance space.

### 04

**A CLEAR PICTURE** The 12.3" central display features a crystal-clear 720p high-resolution picture providing a wide viewing angle and a broad range of brightness for your 3D navigational maps, weather and media information which can be conveniently seen through an expanded or split screen.

### 05

**CONVENIENCE FEATURES** For the utmost in comfort and convenience, there are standard power-operated rear side-window and rear window sunshades to ensure privacy and keep passengers comfortable. An Integrated Memory System (IMS) allows the driver to save multiple preferences for their 22-way power-adjustable seat, mirror settings, steering column position, and even Head-Up Display position. The convenient IMS is also included for passengers, standard for the front and available for the rear outboard seats.

## DRIVER-CENTRIC DESIGN

You won't just sit in the G90; you'll be integrated into the vehicle thanks to its ergonomic design. In order to reach a new pinnacle of seating luxury, our designers tested the seats in corporate jets and benchmarked their designs against armchairs from world-class furniture manufacturers.

As a result, the driver's seat earned certification from Aktion Gesunder Rücken, a German based medical association that measures and rates how well products support overall back comfort, health and safety.

Not only do they offer soothing heat or ventilation at the touch of a button, but they can also be precisely tailored to your position thanks to the driver's 22-way power-adjustable seat and the passenger's 16-way power-adjustable seat. Your senses will be put at ease by the impeccably-tailored full grain Nappa leather upholstery.

As a bonus, enjoy fresh cabin air, thanks to the tri-zone automatic climate control with Smart Ventilation, which uses a segment-first CO<sub>2</sub> sensor to help keep you comfortable and alert.

# TRIUMPH OF TECHNOLOGY

A wide range of innovative technologies are applied in the G90 in the service of convenience and comfort. More importantly, each of these technologies is intuitive to use and contributes to a greater level of driving enjoyment.

01

**HEAD-UP DISPLAY** The standard Head-Up Display system helps reduce driver distraction by displaying critical driving information on the windshield, directly below the driver's line of sight. Information includes speed, navigation directions and Adaptive Cruise Control settings, as well as indicators for Active Blind Spot Detection and Lane Keep Assist.

02

**ENJOY THE VIEW** Get an expanded view of what's around you with the advanced Multi-View Camera System. Now you'll be able to see your G90 in multiple perspectives, including an aerial view of the vehicle for a comprehensive look of the surrounding environment. Thanks to the 1-megapixel cameras, enjoy a crystal-clear picture on the G90's 12.3" high-resolution central display.

03

**GO WITH THE TRAFFIC FLOW** The Adaptive Cruise Control<sup>4</sup> system with stop-and-go capability carefully adjusts your pre-set speed and distance from the vehicle ahead. It will even come to a full stop and then start again, without driver input, when the vehicle has been stopped for less than three seconds.

04

**BRING ON THE TRAFFIC** With an available dual monitor Rear Seat Entertainment system, your rear seat passengers can watch movies and more when on the go.

# CREATE YOUR OWN MASTERPIECE

Accentuate the G90's sleek exterior styling with a choice of seven rich colours paired with a complementary interior combination. From the flowing lines of the upholstery that tightly wraps the seats, to the elegant lacquered accents, you'll know when it feels right.

## EXTERIOR COLOURS

Due to the print production process, the colours shown throughout this brochure may vary slightly from the actual hue. Special order may be required for certain exterior and interior combinations.

## INTERIOR COLOURS

The exterior may captivate you, but the true revelation begins the moment you slip into the first-class interior. Enjoy full grain natural Nappa leather seating and fine genuine wood trim.

2018 GENESIS G90 FEATURES

● Standard	- Not Available	○ Optional	3.3T	5.0
CHASSIS				
All-Wheel Drive (AWD)	●	●		
19" staggered-width aluminum alloy wheels with all-season tires (P245/45R19 front, P275/40R19 rear)	●	●		
Temporary spare tire	●	●		
Tire Pressure Monitoring System (TPMS)	●	●		
5-link independent Genesis Adaptive Control Suspension (GACS)	●	●		
EXTERIOR LIGHTING				
Automatic headlights	●	●		
LED Daytime Running Lights (DRL)	●	●		
LED tail lights and reverse lights	●	●		
LED side mirror turn signal repeaters	●	●		
LED license plate illumination	●	●		
Mirror-mounted welcome lights with "Genesis" logo projection	●	●		
High Beam Assist (HBA); automatically deactivates high beams when traffic is detected ahead	●	●		
Full LED headlights with Adaptive Cornering System (ACS)	●	●		
EXTERIOR TRIM				
"Crest" chrome grille with black inserts	●	●		
Chrome-accented door handles	●	●		
Piano black B-pillars	●	●		
Lower chrome side moulding	●	●		
Chrome deck lid trim accent and rear bumper garnish	●	●		
Chrome beltline and window mouldings	●	●		
Dual exhaust outlets integrated into rear bumper	●	●		
OUTSIDE MIRRORS				
Power-adjustable, power-folding	●	●		
Heated	●	●		
Electrochromic auto-dimming	●	●		
Tilt down when in reverse (side selection required)	●	●		
Included in driver's Integrated Memory System (IMS)	●	●		
GLASS				
Acoustically-laminated glass (windshield, front and rear doors)	●	●		
WIPERS				
Speed-sensitive front windshield wipers with 2 speeds and variable intermittent settings	●	●		
Rain-sensing function	●	●		
Windshield wiper de-icer	●	●		
STEERING WHEEL				
Leather-wrapped 4-spoke steering wheel with shift paddles	●	●		
Audio, Bluetooth®, cruise control, voice command, and vehicle information controls	●	●		
Power tilt-and-telescopic adjustment (with memory)	●	●		
Heated (2 settings) with 30-minute timer	●	●		
Haptic feedback (linked to select Smart Sense functions)	●	●		

	3.3T	5.0
ACTIVE SAFETY SYSTEMS		
Vehicle Stability Management (VSM)	●	●
Electronic Stability Control (ESC) with Traction Control System (TCS)	●	●
Anti-lock Braking System (ABS) with Electronic Brake-force Distribution (EBD) and Brake Assist (BA)	●	●
Active Blind Spot Detection (ABSD) with Rear Cross-Traffic Alert (RCTA) and Lane Change Assist (LCA)	●	●
Lane Keep Assist (LKA) with Lane Departure Warning (LDW)	●	●
Autonomous Emergency Braking (AEB) with pedestrian detection	●	●
SEATING (FRONT)		
Nappa leather seating surfaces	●	●
22-way power-adjustable driver's seat with power lumbar	●	●
16-way power-adjustable front passenger's seat with power lumbar	●	●
Heated front seats	●	●
Ventilated front seats	●	●
Anti-whiplash front head restraints with power controls	●	●
Seatback storage pockets	●	●
SEATING (REAR)		
Nappa leather seating surfaces	●	●
Heated rear seats (outboard seats)	●	●
Centre armrest with dual cup holders and control console	●	●
Rear seat pass-through opening	●	●
14-way power-adjustable right rear outboard seat	-	●
12-way power-adjustable left rear outboard seat	-	●
Ventilated rear seats (outboard seats)	-	●
MULTIMEDIA		
17-speaker Lexicon® AM/FM/SiriusXM®/DVD/MP3 surround sound audio system (900 watts, 12 channels)	●	●
Quantum Logic Surround (QLS) with Clari-fi™ Music Restoration Technology	●	●
12.3" navigation system with 720p high-definition display, 64 GB SSD, and SiriusXM® NavTraffic®	●	●
Driver Information System (DIS) with multimedia controller	●	●
Wireless device charging (front — Qi standard)	●	●
iPod®/USB/auxiliary connectivity (mounted in centre console)	●	●
Rear seat USB charging port (mounted in rear centre console)	●	●
Bluetooth® hands-free phone system	●	●
Speed-sensitive volume control	●	●
Rear seat entertainment system with dual 10.3" seatback-mounted high-definition displays	-	○

CONVENIENCE FEATURES		
Power windows with auto up/down and pinch protection (all windows)	●	●
Power door locks	●	●
Power door latch system (pulls door shut once it touches the latch)	●	●
Power-operated rear side window sun shades	●	●
Power-operated rear window sun shade	●	●
Sunroof (power tilt and slide with one-touch operation)	●	●
Proximity keyless entry with push-button ignition	●	●
Power trunk lid with hands-free proximity opening	●	●
Electrochromic auto-dimming rearview mirror with integrated HomeLink® transceiver and compass	●	●
Front console centre armrest with storage box	●	●
Centre console with mobile phone storage/charging tray, dual cupholders, and dual 12-volt outlets	●	●
Four assist grips and coat hangers	●	●
Locking glovebox with damped operation	●	●
Cargo net	●	●
Drive Mode Select (DMS) [controls response of steering, engine, transmission, and Genesis Adaptive Control Suspension (GACS)]	●	●
Driver's Integrated Memory System (IMS) for seat, outside mirrors, steering wheel, and Head-Up Display (HUD) positions (3 memory settings)	●	●
Front passenger's Integrated Memory System (IMS) for seat position (2 memory settings)	●	●
Multi-View Camera System (MVCS)	●	●
Front and rear parking assistance sensors	●	●
Adaptive Cruise Control (ACC) with stop-and-go capability	●	●
Electronic Parking Brake (EPB) with Auto Vehicle Hold (AVH)	●	●
Integrated Memory System (IMS) for outboard rear seats (2 memory settings each)	–	●
Illuminated rear seat vanity mirrors	–	●

<sup>TM</sup>/<sup>®</sup>The Genesis names, logos, product names, feature names, images and slogans are trademarks owned or licensed by Genesis Motors Canada, a division of Hyundai Auto Canada Corp.. Specifications, features, illustrations, accessories, materials and equipment and all other information shown in this brochure is based on the latest information available at the time of publication. Although descriptions are believed to be correct, accuracy cannot be guaranteed. Genesis Motors Canada reserves the right to make any changes or modifications at any time, without notice or obligation, including, without limitation, in colour, specifications, features, accessories, materials, equipment and models. Some vehicles are shown with optional equipment. All Genesis warranties have no deductible. <sup>†</sup>The Genesis Comprehensive Limited Warranty coverage program covers most vehicle components against defects in workmanship under normal use and maintenance conditions. <sup>††</sup>The Genesis 24-Hour Roadside Assistance program is a limited service and does not cover certain costs or expenses. Roadside Assistance is not a warranty. <sup>\*</sup>Some limitations apply. See an authorized distributor of Genesis products for complete details. <sup>‡</sup>Complimentary Scheduled Maintenance plan covers most regular maintenance as described in the service plan of the Owner's Manual, including for example, oil changes, tire rotation and regular inspection. The plan does not include repair or maintenance of parts that experience wear and tear, such as tire treads, brake pads, windshield wipers, etc. and other repairs that may be identified in the regular inspection performed as part of the plan. Some limitations apply. See an authorized Genesis distributor for complete details. <sup>†††</sup>Includes complimentary map updates for 5 years with a maximum of 10 updates. <sup>††††</sup>Autonomous Emergency Braking (AEB) is designed to detect vehicles that are directly in front of the vehicle. AEB will not detect all vehicles and objects. AEB may not work on winding or hilly roads, during certain weather conditions such as rain, snow, fog and any other times of limited visibility. AEB initiates full braking at speeds between 8 and 75 km/h (vehicle detection) or 8 and 65 km/h (pedestrian detection). AEB will not detect all pedestrians under certain conditions. See Owner's Manual for detailed descriptions of example conditions in which AEB may not detect a pedestrian. AEB is not a substitute for safe driving. Always check your surroundings when driving. See Owner's Manual for further details and limitations. <sup>‡‡</sup>Never rely completely on Blind Spot Detection (BSD) and be sure to use proper lane changing procedures. BSD will not detect every object or vehicle and will not prevent accidents. Always look over your shoulder and use your mirrors to confirm clearance. See Owner's Manual for further details and limitations. <sup>‡‡‡</sup>Lane Keep Assist system operates above approximately 69 km/h and only when the lane markings are clearly visible on the road and detected by the system. It will not prevent loss of control. See Owner's Manual for more information and limitations. <sup>‡‡‡‡</sup>Adaptive Cruise Control (ACC) with stop/start capability is not a collision-avoidance or warning device. ACC is for highway use only and should not be used in poor weather, heavy or varying traffic, or on winding or slippery roads. Driver remains responsible to slow or stop the vehicle to avoid a collision. Acceleration after the vehicle comes to a complete stop will only occur when the vehicle has been stopped for less than three seconds. See Owner's Manual for further details and limitations. The SiriusXM<sup>™</sup> name is a trademark of SiriusXM Satellite Radio Inc.. Bluetooth<sup>®</sup> word mark and logos are registered trademarks owned by Bluetooth SIG, Inc.. HomeLink<sup>®</sup> is a registered trademark of Johnson Controls Inc.. Lexicon<sup>®</sup> is a registered trademark of Harman International Industries Inc..
