Administration: 2023 Quarterly Reporting					
Department	Strategy	Action	Q1: January to March	Q2: April to June	Q3: July to September
Strategy			Notes that detail progress of action that supports that corresponding strategy.	Notes that detail progress of action that supports that corresponding strategy.	Notes that detail progress of action that supports that corresponding strategy.
1. Governance	Strategy 1.1				
	Provide communication to demonstrate accountable governance	County Strategic Plan, Budget Narrative and Audited Financial Statements are available on the County website.	Council is in the process of finalizing 2023 budget and will post on website in Q2.	Completed.	
		Proactive communications - see 4. Communications			
	Strategy 1.2				
	Collaborate with municipal partners	Meet with Town of St. Paul, Town of Elk Point and Summer Village of Horseshoe Bay at least once a year to discuss collaborative opportunities.	Have met with both the Town of St. Paul and Town of Elk Point to discuss Intermunicipal Area Structure Plans we are working on with them in Q1.	Open Houses communicated through social media, newspaper ads, website.	Municipalities have worked together to submit 4 joint applications for the ACP grant program. The County is also participating in an ACP Grant with County of Vermilion River and Alberta HUB.
		Continue to support Inter-municipal Agreements.	Financial support as per agreements are included in Preliminary budget.		
		Explore meetings with First Nations and Metis Councils.	County Council met with Frog Lake First Nation in February to discuss matters of mutual interest.	No other meetings with First Nation or Metis Councils in Q2.	Administration has reached out to Saddle Lake looking for a meeting to discuss Fire Agreement. No response at this time.
		Complete regional Alberta Community Partnership (ACP) grant projects with our partners.	Work is continuing on a number of ACP Grants with our partners including: Stormwater Implementation Grant - Town of St. Paul; ACP Grants for Intermunicipal Areas Structure Plans - 2 in Elk Point, 1 in St. Paul, 1 - Elk Point Airport; Regional Recreation Facility Feasibility Study; Regional Tourism Strategy; Regional Services Study; North Saskatchewan River Management Study.	Same as Q1. All projects are moving ahead.	Projects are continuing.

1. Governance		Continue to apply for available provincial grants around collaboration.	The County and our regional partners were successful in obtaining 3 new ACP Grants - Regional Trail Master Plan; Regional Investor Readiness Plan; Regional Immigration Readiness/ Newcomer Supports.	All three grants are being managed through STEP. RFP is currently out for the Regional Trail Master Plan, and other service contracts have been entered into regarding the other grant projects.	The ACP Grant program intake was moved up to October 3, 2023 - usually we are applying in January. Applications for submission include: Regional Recreation Facility Condition Assessments - St. Paul Swimming Pool and Visual Arts Centre and Elk Point AG Ross Arena and Curling Rink; Lake Health Assessments; Housing Strategy; and Joint Servicing Study - St. Paul/County and Elk Point/County. The County is also partnering with Alberta HUB municipalities to work on a digital platform for land available in the region as a marketing/site selection tool.
		Explore further options for regional service delivery.	Currently working with KPMG on grant funded Regional Services Study to determine what service areas the Region may wish to explore soon.	KPMG is continuing their work on this project with project anticipated to be complete in Q3.	KPMG has completed their work and has presented their findings to all four Councils. Discussion regarding next steps to take place in Q4.
		Participate/ Coordinate in a regional municipal meeting once per year.	Regional Municipal elected officials met in January to take an Economic Development Course. Also met in January to discuss Seniors Housing in the Region.	Regional Municipal Elected officials met June 7 to discuss Regional Recreation Facility Feasibility Study preliminary report.	Regional Meeting scheduled for Q4.
	Strategy 1.3 Provide scholarships to support students in the St. Paul Regional Education Division and Ecole du Sommet	Provide 3 scholarships of \$1,000 each for students based on grades, community involvement and volunteerism entering full-time studies.	Included in the Preliminary budget.	Scholarship recipients selected.	Scholarships awarded.
		Provide 1 scholarship of \$1,000 for students entering a trade.	Included in the Preliminary budget.	Scholarship recipient selected.	Scholarship awarded.
		Council has made a three year commitment to 2024 regarding these scholarships.			
	Strategy 1.4 Council to financially support community groups.	Continue to support community groups through Recreational Facility Grant Funding. Review the list of groups the County is funding.	Preliminary budget included funding for community groups.	Ongoing support for community groups.	Council reviewed list of Community Groups funded during Strategic Planning sessions. No changes made at this time.
		Consider funding to community groups.		Funding provided to numerous community groups.	Funding provided to groups when requested upon consideration of Council.

1. Governance	Strategy 1.5 Approve appropriate policies for the County	Proactively manage emerging policy issues.	Q1 Bylaws approved include: 2023-06 Keeping of Animals Bylaw; 2023-08 Meeting Procedure Bylaw; Policies updated include: HR-7 Conference & Education Attendance Policy; HR-16 Pay Administration Policy; HR-34 Driving and Vehicle Use Policy; PW-4 Vegetation Maintenance/Brushing Policy; Tangible Capital Asset Policy.	No Policy Committee meetings held in 2nd quarter.	UPDATED DEV-4 Reserve Lands Management Policy; PW-3 Driveway Snow Removal Policy; DEV-7 Encroachment Agreements/Licenses Policy; Dev-8 Cleanup of Deadfall on Reserve Lands; NEW - PW-9 Dust Control Policy; Bylaws Updated Assessment Review Board Bylaw
	Strategy 1.6 Support efforts to ensure safe communities in our County	Continue to advocate to federal and provincial government for increased RCMP in rural communities.	Reeve and other Council members attended an Open House in March with the Minister of Justice and the Minister of Public Safety and Emergency Services in March.		St. Paul Staff Sargent presented to Council regarding the last quarter stats.
		Increase communication with RCMP regarding safety and emerging issues in the County.	St. Paul Staff Sargent attended March Council meeting.	RCMP Online Crime Reporting posted on County Facebook and Fire, Emergency Services and Safety webpage.	
		Request increased presence of the RCMP in the County campgrounds during the summer open season.	This is part of the RCMP workplan for 2023.		
		Explore Memorandum of Understanding with Town of St. Paul regarding the speed limit on Twp Rd 582.	No action taken in Q1.	No action taken in Q2 - Town of St. Paul has limited staff.	No Action Taken.

1. Governance	Strategy 1.7				
	Transparency and Accountability to the Public	Continue to publish Council Remuneration.	Ongoing.	Ongoing.	Ongoing.
		Council report on conferences and committee meetings attended throughout the month.	Ongoing.	Ongoing.	Ongoing.
		Allow Councillor virtual attendance at Council meetings.	Ongoing.	Ongoing.	Ongoing.
		Improve Council Room Technology.	Improvements completed in March 2023.	Completed. Working well and basement technology upgraded with old Council Room Technology. That is also a good improvement.	
	Strategy 1.8				
	Conduct Municipal Census to ensure accurate funding for grants	Consider conducting Municipal Census as province will continue to accept Municipal Census in 2023. This will ensure more accurate population numbers which are used for calculation of some grant programs and joint projects contributions with our neighbours. Historical cost \$30,000.	This is not included in the 2023 budget. Municipal Affairs has only provided new documentation/rules regarding conducting a census in April 2023. This would need to be deferred to 2024 at the earliest.		
	Strategy 1.9				
	Improve relationships with Indigenous neighbours	Include 'Cultural/Sensitivity' training for Council.	Not yet scheduled.	Not yet scheduled.	Not scheduled.
		Schedule meetings with our Indigenous neighbours.	Met with Frog Lake First Nation in February 2023.	No meetings in Q2.	No meetings in Q3.
		Explore grant opportunities that include Indigenous partners i.e. Alberta Community Grant Partnership grants, Economic Development grants.	No action on this in Q1.	No action in Q2.	STEP EDO communicates with Indigenous Partners regarding strategic plans to determine how we can further this strategy.
	Strategy 1.10				
	Adequately fund Library Serves in the County/ Region	Provide funding to County Library Board for operation of Ashmont and Mallaig libraries.	Included in the Preliminary budget.	First 1/2 of funding provided after preliminary budget, final 1/2 provided in April after budget was approved.	
		Provide funding to Town of St. Paul and Town of Elk Point Libraries through the County Library Board.	Included in the Preliminary budget.	Funding provided to Town of St. Paul and Town of Elk Point Library Boards through County Library Board.	
		Provide funding to Northern Lights Library System (NLLS), as per requisition.	Included in the Preliminary budget.	Funding provided to NLLS at \$5.31 per capita based on 2021 census.	

2. General Administration	Strategy 2.1 Continue to work on an Asset Management Project to make informed decisions regarding replacement and maintenance of County equipment and infrastructure	Integrate Asset Management into Core County operations.	Continuing to work on Road condition assessment for all gravel roads to determine maintenance and mitigation strategies for level of service identified on roads. Working with Asset Management Consultant to determine path forward on infrastructure replacement phasing in plan for Ashmont, Mallaig, and Lottie Lake.	Asset Management Team is working on using Condition Assessment for Roads to inform 5 year road construction/maintenance planning. Other Level of Service documents are being updated to present to Council in Q3.	Administration has worked with Council determining Level of Service delivery for all service areas. The services that Council has determined to continue has transferred into the Strategic/Operational Planning sessions held in Q3 as well.
		Review the Road Classifications and continue to develop 5 to 20 year plan.	Levels of services are reviewed with Council annually in Q3.	Asset Management Team is working on strategies/ideas to better define Road Classifications and determine policy that outlines how road classifications can change - i.e. from Country Road to Collector Road.	Council has agreed to work with Toop Consulting and Azimi Consulting to determine criteria for road classifications including traffic counts. This will assist Council in determining when a road would move from one classification to another i.e. be changed from gravel to cold mix.
		Consider annual contribution to reserves for departmental capital equipment purchases.	Annual Contributions for Fire and Waste trucks are included in Preliminary Budget.	Administration staff are planning to work with the Long Term Financial Planning tool to determine recommendations for other reserve contributions.	Council has provided Administration direction to recalculate the contribution for reserves - particularly for Fire and Waste trucks due to inflation to better represent replacement values.
		Continue implementation of Road Condition Assessment tool.	No action in Q1.	Road Condition Assessment was completed on 112 km of roads in Q2, all in May. Public Works team met to review risk and mitigation strategies.	Administration has worked with our Asset Management Consultant and Public Works team to develop road condition assessment tool for cold mix roads in the County. We have reviewed several roads to test out the new toolkit. This will help inform maintenance programs in the future.
		Use Munisight Asset Management software for linear assets.	Ongoing.	Ongoing.	Ongoing.
		Communicate progress on Asset Management Plans to Council and public.	Working on County Communicator to be included with tax notices.	Tax Notices included newsletter which included information on Asset Management.	Council supports plan to develop communication regarding infrastructure replacement phasing in project in Ashmont, Mallaig and Lottie Lake.
		Implement the Long Term Financial Plan Model that is tied to Asset Management.	No action in Q1.	Planning session in Q3 to work with new Finance Officer and Administrative staff to understand the Long Term Financial Plan Model.	Training is complete and model is being revised to include assessment and taxation revenue stream in the financial model tool.
		Ensure Council discusses Levels of Service and Risk associated with all services prior to Strategic Planning - both those associated with physical assets as well as those provided by staff.	Levels of services are reviewed with Council annually in Q3.	Scheduled LOS meetings for third quarter.	Levels of Service meetings were held in Q3 prior to Strategic and Operational Planning meetings.
		Review TCA Policy to reflect life/ replacement of equipment.	TCA Policy Updated in February 2023.		

2. General Administration	Strategy 2.2				
	Build positive relationship between County Administration Office and Public Works Office	Continue Team Building for all staff - minimum 2 events per year, including one Regional Team Building meeting.	No action in Q1.	Scheduling team building event for 4th quarter - October 20.	Regional Team Building event scheduled for November 16, 2023.
		Consider team building/ leadership courses.	No action in Q1.	No action in Q2.	Included in strategic/operational planning.
	Strategy 2.3				
	Improve customer experience	Promote social media (Facebook and Instagram) and website to customers as County Information source.	Ongoing.	Ongoing.	Ongoing.
		Promote Citizen Self-Serve using radio spots and information bulletins with monthly billings.		Ongoing.	Ongoing.
		Promote various pay options for County Ratepayers.	Communication through newsletter, radio, Social media, Highlights, and website.	Ongoing and included in County Communicator insert with tax mailout.	Ongoing.
		Promote monthly payment/ Autopay for taxes and utilities.	Communication through newsletter, radio, Social media, Highlights, and website.	Ongoing - see above.	Ongoing - see above.
		Launch Complaint system that would be available to the public through the website. Timing to be determined.	No action in Q1.	No action in Q2.	Considering new technologies regarding this strategy.
		Promote use of GIS system available to public, realtors, lawyers.	Ongoing.	Ongoing.	Ongoing.
		Continue to promote use of County website for permits, forms, fire permits, etc.	Communication through newsletter, radio, Social media, Highlights, and website.	Ongoing.	Ongoing.

3. Corporate Services	Strategy 3.1 Continue to improve Human Resources framework to improve experience for management staff and employees	Cross training of staff. Prepare manuals/ training notes for duties i.e. A/P, Cemeteries, Insurance, etc.	Ongoing.	Shifting duties for front end staff is assisting with cross training.	Ongoing.
		Provide training to front end staff to best serve residents and set expectations regarding service. Ensure everyone is on the same page regarding standardized messaging.	Ongoing.	Messaging becoming more consistent with use of standard reply emails to customers.	Ongoing as we have new staff members join the County in the front office.
		Continue to monitor and update the Performance Appraisal System to ensure it meets the needs of management and staff.	No action in Q1.	No action in Q2.	No changes in 2023.
		Conduct Exit interviews.	Exit Interviews are conducted when staff leave by HR consultant.	Ongoing.	Ongoing.
		Include 'Cultural Sensitivity Training' for all staff.	No action in Q1.	No action in Q2.	Available on Workhub for staff to take online.
		Include Conflict Resolution' training for appropriate staff.	Managerial/Supervisory staff provided Psychological First Aid in Q1.	Joint Health and Safety Committee provided Psychological First Aid in Q2.	Psychological First Aid will be offered to any staff members who would like to take it.
		Ensure supervisory staff are trained regarding their role for success of staff.	Ongoing.	Ongoing.	Ongoing.
		Implement employee recruitment procedures, as required.	Postings as per policy.	Postings as per policy.	Postings as per policy.
		Implement employee on boarding process.	Checklist used - ongoing.	Checklist used - ongoing.	Checklist used - ongoing.
		Use WorkHub for staff to access policies, handbook, safety info etc.	This is part of the Employee Orientation Process.	This is part of the Employee Orientation Process. Employees notified when additions made to WorkHub.	This is part of the of the Employee Orientation Process. Employees notified when additional made to Workhub.
		Consider Employee Self Serve in preparation to move to a Bi-weekly pay for salaried staff in 2024.	Defer to 2024 - due to new Finance position.		No changes in 2023 - will implement when we move to new Financial program.
		Develop Management Succession Planning Strategy.	CAO working with Management Team and Council regarding this.	CAO has announced retirement December 31, 2023. Recruitment for new CAO to begin in Q3.	Recruitment Firm hired to assist Council with hiring new CAO.
	Strategy 3.2 Continue to research opportunities for grant funding	Continue to explore Alberta Community Partnership grant opportunities with regional partners.	The County and our regional partners were successful in obtaining 3 new ACP Grants - Regional Trail Master Plan; Regional Investor Readiness Plan; Regional Immigration Readiness/ Newcomer Supports.		The County is partnering on 5 Alberta Community Partnership Grant applications which are closing October 3, 2023.

3. Corporate Services		Explore grant opportunities under Energy Efficiency.	No action in Q1.	RMA has Micro grant for Economic Development Opportunities which is being considered for Regional Renewable Energy feasibility study.	County was unsuccessful in getting the RMA Micro Grant.
	Strategy 3.3				
	Re-familiarize Additional Named Organizations with insurance requirement and protocols	Hold meetings with Additional Named Insured Organizations (ANI's).	Meetings scheduled for ANI's in April 2023.	RMA did a site visit of Mallaig Ag Society buildings. Waiting on report. Rolled out Instant Risk Coverage to ANIs as an option for renters to obtain liability insurance when renting their facilities.	
	Strategy 3.4				
	Continue to transfer land files into digital record system	Complete this project by 2022-23.	Summer staff are hired - expected to start in Q2.	Summer staff continue to work on project.	Summer staff worked on project. Administrative staff work on this as time permits.
		Continue to work on project utilizing summer staff.	Summer staff to start beginning of May.	Summer staff continue to work on project.	
		Work with IT stakeholders to ensure that all GIS users can access scanned files.	GIS/IT Coordinator is working with IT Consultants/Laserfiche/GIS companies to solve problem.	Scan files are available on GIS system. Working on providing specific staff with access. Will roll out to all appropriate staff in Q3 or Q4.	Files are now available through the Laserfiche cloud platform and appropriate staff have been provided access.
		Continue to incorporate current subdivision files/ planning and development files into digital record system.	Ongoing.	Ongoing.	Ongoing.
		Explore options to move all files into a digital record system.	No action in Q1.	Exploring other options available through Laserfiche.	Working with Government Frameworks to implement online forms which will be filed in Laserfiche as well. Implementation to happen in Q4 and Q1 of 2024.
	Strategy 3.5				
	Have accurate assessment of County properties	Work with provincial assessors to ensure accurate designated industrial property assessment.	Taxation and Assessment Technician is working with Provincial Assessment staff to identify areas of oil and gas activity to ensure completeness of DIP assessment. Using Road Use Agreements as a tool to identify busy areas.	Ongoing communication with Provincial Assessor.	
		Verify that designated industrial property assessment (DIP) and linear property assessment is properly stored and recorded in the assessment software program and transferred to financial program for taxation purposes so reporting is balanced.	Balanced.		

		Continue to work with Accurate Assessment to ensure DIP and linear assessments are reviewed annually to verify accuracy of assessments.	Accurate Assessment continues to monitor assessments provided from the Province to ensure accuracy.	Accurate Assessment will continue to review the assessment to ensure DIP assessments are complete and properties were not missed.	No changes.
	Strategy 3.6				
	Continue to maintain and upgrade Administration Building	Upgrade Lower Board Room.	Moved Smart Board to Lower Level Board Room - improving technology there.	No action in Q2.	No action in Q3.
		Improve technology in Council Room.	Complete in March 2023.	No action in Q2.	

4. Communications	Strategy 4.1 Continue to improve, review and update communication methods to create a user-friendly digital experience for everyone	Sustain social media accounts (Facebook and Instagram) and the County website.	Ongoing. Attempting to integrate Instagram without use of Communication Coordinator's personal Facebook page.	Struggling with the Fire Permit program. Working with Catalyst to find solution.	Signed Agreement with Government Frameworks to digitize 25 forms for the County. Starting immediately with implementation of Fire Permit.
	Strategy 4.2 Increase proactive communication on County initiatives and information	Increase use of proactive communication tools such as news releases, public service announcements, and 'free advertising' (news stories that are not paid for i.e. road work, initiatives at Transfer Stations, etc.)	Ongoing. January to March is slow news time but communicated gravel sale and campground reservations opening on March 1, and Wild Fire Season on March 1. Prepared FireSmart Home Inspection radio et al started mid-March.	Ongoing. Included campground openings and weekly updates on Facebook regarding site availability, fire restrictions, Spring Cleanup program, beaver program, ASP Open Houses, employment opportunities, campsite availability, et al.	
	Strategy 4.3 Proactively plan ahead to improve County communications with the public and support County departments	To communicate information in a precise, open, honest and timely manner.	Continue to update communication scan with new initiatives/ changes to ensure information is released in timely manner. i.e. Gravel Sales, ASB/LARA events.	Ongoing. Planned ahead for Aggregate Funding, campground openings and availability, road work, fire restrictions, burn permits, community events, et al.	Ongoing. Planned ahead for Aggregate Funding, road work, Fire Smart campaign, snow flags, Lakeland Rodeo Association Finals, burn permits, community events, et al.
		Continue to expand/ develop County activities scan to ensure programs/ activities are promoted.	See above.	See above.	Ongoing.
		Continue to produce communication materials such as Tax Insert, Council Highlights, Trash Talk and Campground brochure.	Began planning and writing of Tax Insert. Requested information from other departments/staff for inclusion. Campground brochure updated.	Completed and insert mailout out with taxes.	Developed communication piece for Ashmont, Mallaig, Lottie Lake water line improvements -- in draft.
		Engage the media with positive local agriculture stories.	No activity.	No action in Q2.	No Action.
	Strategy 4.4 Maintain policies related to communication methods	Review privacy policies related to online terms of use.	Reviewed and no changes required.		
		Review 'Communications Guiding Principles' document that includes branding standards, website and social media policies, communication plans, communication best Practises, et al.	Ongoing.	Ongoing project.	Ongoing - near completion.

4. Communications

Strategy 4.5

Ensure that all County departments are supported with quality, timely and effective communication

Continue building public awareness and education of County Services, Agriculture Services (including LARA workshops), Bylaw Enforcement Officer, Fire Smart program and Fire Prevention week, winter maintenance and others.

Generic radio ads were produced that the radio station will run to fill empty ad time and air them for free. Ads were created on the topics of payment options, keeping address up to date, development permits, safety permits, recycling at the Transfer Stations, recycling beverage containers at the Transfer Stations, fire permits.

Ongoing. Included campground openings and weekly updates on Facebook regarding site availability, fire restrictions, Spring Cleanup program, beaver program, ASP Open Houses, et al.

Ongoing. Included campground openings and weekly updates on Facebook regarding site availability, thanks you after closure of campgrounds, fire restrictions, assessors in County, Aggregate Level Funds, burn permits, etc. al.

Promote events related to FCSS, Parks and Waste Management.

Campground online reservations opening on March 1 promotion started in mid-February (Facebook, website, radio, Council Highlights). Provided County material for Go East ad. Photo taken at Floating Stone featured prominently in ad.

See above.

See above.

Communicate progress on Asset Management plan to the public.

Material to be included/ revised in Tax insert.

Information included County Communicator that was mailed with taxes.

Ongoing as information becomes available. Updated construction project work on Public Works webpage.

Proactively provide notice of road work to residents.

As information becomes available. General notice about safety around snowplows pushed out.

Safety message communicated about traveling around graders, road restrictions put on/lifted.

See above.

Promote Citizen Self-Serve, monthly payments/Autopay for taxes and utilities other payment options available for County ratepayers.

Ongoing. Worked with Director of Corporate Services and Bylaw Enforcement Officer to provide online payment option for Letter of Consent.

Steady increase in number of residents signing up for Tax Autopay. Increased use of Option Pay during Tax Season.

Ongoing information on website and Facebook.

Draft a communication plan for the Regional Emergency Management Plan that is in line with the REMP, as needed.

In development.

Revised Media Contact list if required in emergency situation.

Strategy 4.6

Increase public information about County historical, tourism, economic development, events, etc. that will increase interest in local events

Continue to participate in the Travel Lakeland/ Alberta's Iron Horse Trail committees as a non-voting member to proactively assist with promoting the region through communications.

Ongoing and promoting regional events on County Events Calendar, and Facebook when appropriate.

Ongoing.

Ongoing.

Ensure the County campgrounds are promoted through information such as reservations opening, weekly campsite openings, campground brochure, paid advertising, free advertising, et al.

Campground online reservations opening on March 1 promotion started in mid-February (Facebook, website, radio, Council Highlights). Brochure revised.

Ongoing promotion.

Ongoing throughout the summer. Weekly camp site availability posted on Facebook.

Continue to promote local community events on the website 'Events' calendar.

See above.

Ongoing.

Ongoing.

5. Freedom of Information and Protection of Privacy Act	Strategy 4.7				
	Employee Communications	Continue to produce 'County Chronicle' at least 3 issues per year.	Issue planned for late spring.	Issue planned for summer.	Issue in development for late fall.
		Provide communication to employees through WorkHub.	CAO/Director of Public Works/Director of Community Services reports provided to staff through WorkHub monthly.	Changes by benefit providers communicated to staff through WorkHub. Continuing to provide CAO, Director of Public Works and Director of Community Services reports through WorkHub.	Continuing to provide CAO and Director reports to staff through workhub as well as notifying staff regarding employee meetings and staff events.
	Strategy 5.1				
	Provide public with the process to obtain information through the Freedom of Information and Protection of Privacy Act	Ensure the public FOIP requests are addressed in timely manner as required under legislation.	No FOIP requests this quarter.	One request for personal property information so not a formal FOIP.	Two request for property information (development permits).
		Ensure that FOIP page on the County Internet is up-to-date with any provincial legislative changes.	Reviewed material on website and no revisions needed.		
		Promote availability of County FOIP process.		Ongoing information available.	
		Ensure that FOIP records and statistics are kept for reporting, as required by FOIP/ provincial government.		Statistical reporting submitted on May 10.	
		Provide information card for Council.	Completed in February 2023.		
		Develop FOIP Policy.		No action in Q2.	

6. Planning and Development

Strategy 6.1

Development of Area Structure Plans around urban neighbours to reduce red tape and expense for developers

Work with Town of St. Paul on joint Area Structure Plan (ASP) on the north side of the town into the County - funded by Alberta Community Partnership (ACP) Grant.

Work is continuing on this project. Public Open House is scheduled for May 24, 2023.

Public Open House was held in May. We are waiting for Alberta Transportation comments on the Traffic Impact Assessment before bringing Area Structure Plan Document to the Council's for 1st Reading of the Bylaw to approve.

Still waiting for Alberta Transportation comments.

Work with Town of Elk Point on joint ASP grant on the north side of the town into the County - funded by ACP Grant.

Work is continuing on this project. Public Open House is scheduled for May 25, 2023.

Public Open House was held in May. Town of Elk Point has halted work on this plan for the moment.

Still waiting for Alberta Transportation comments. Meeting in Q4 with Town of Elk Point to discuss contingency funds.

Work with Town of Elk Point on joint ASP Grant on the south side of the town into the County - funded by ACP Grant.

Work is continuing on this project. Public Open House is scheduled for May 25, 2023.

Public Open House was held in May. We are waiting for Alberta Transportation comments on the Traffic Impact Assessment before bringing Area Structure Plan Document to the Council's for 1st Reading of the Bylaw to approve.

Still waiting for Alberta Transportation Comments. Meeting in Q4 with Town of Elk Point to discuss contingency funds.

Work with Town of Elk Point on joint Area Structure Plan at Elk Point Airport.

Work has started on this project with the consultant providing some background reports for Administration to review in Q1.

Public Open House was held in June. The consultants are working on the draft of the Area Structure Plan and supporting documents. Council's have approved use of contingency funds to develop an Operations Manual for the Airports in Elk Point and St. Paul.

Nearing completion. Winter section of Operations Manual has been circulated to municipalities.

Consider other ASP projects through grant funding.

No action in Q1.

No action in Q2

No action in Q3

Determine zoning changes/ Land Use Bylaw Amendments for Lottie Lake area to provide clarity on Recreational Vehicles on lots.

Planning and Development Staff are working on strategy for new wording for LUB amendment. Considering engaging residents prior to bringing forward proposed wording.

An Open House was held with Lottie Lake Residents in June. They have expressed their preference for Land Use Bylaw wording changes regarding Recreational Vehicles on lots within the Hamlet. These will be incorporated when Administration brings forward the Land Use Bylaw with other proposed changed in Q3.

Planning and Development met with Council to determine what changes they would like to see regarding Alternate Energy in the Bylaw. Starting to work on changes for the LUB to bring forward in Q4.

6. Planning and Development

Strategy 6.2

Resurvey Plan 527MC Block 1 at Vincent Lake to have houses situated on the lots

Finalize survey. Apply for accretion and close roadways adjacent to plan area.

Roadways have been closed. Accretion has been approved. Survey has been finalized. Lot owners have received an update from the County with next steps and to approve Core Geomatics to act on their behalf to apply for the subdivision.

The re-subdivision of these lots has been applied for. Council has approved a bylaw to remove Reserve Designation on lands previously designated as Environmental Reserve. These lands will be sold to the landowners with the new subdivision, and a new Environmental Reserve will be established on accreted lands.

Subdivision has received conditional approval. P&D working with lot owners on review of on-site septic systems.

Sell the land that is currently Environmental Reserve but would become the land owners after re-survey to the appropriate lot owners.

Registration of land titles and new titles issued to landowners and County.

Determine legal access for all properties.

An internal road has been improved by the County in 2021 and is included in the plan of survey to provide legal access to all lot owners once new subdivision is approved.

This road is included in the subdivision application. Administration is confirming if rural addressing will change as a result.

Strategy 6.3

Resurvey of Mallaig lots along Railway avenue

Complete survey, sell and consolidate lots.

Road closure bylaw has been given 1st reading and is in the Alberta Transportation process for closure.

Bylaw is still awaiting approval by Alberta Transpiration.

Still waiting for Alberta Transportation.

Strategy 6.4

Determine opportunities to encourage development and reduce red tape

Continue to contract Superior to complete Safety Code Permits - agreement to December 2023.

Superior Safety Codes has been completing Safety Code Permits since February 2022 with no issues.

Contracting continues with no issues. Administration will be developing Request for Proposals for Safety Code Services in Q3 ahead of the end of the current service agreement.

Current Agreement ends in March 2024 - RFP to go out in early 2024.

Improve training of staff to assist residents with subdivision process.

Working on scheduling an opportunity for Planning Officer to work with MPS to understand their process.

No action in Q2.

Improve on-line Development Permit through Catalyst Planner program. Explore if Safety Code Permits can also be completed through this platform.

No action in Q1.

This item has been put on hold due to challenges with Fire Permitting process.

This item has been put on hold.

7. Economic Development

7. Economic Development	Strategy 7.1				
	Centralize Economic Development within the region	<ul style="list-style-type: none">* Regional engagement - Develop a centralized source for regional economic development information from municipalities, Alberta Government, educational institutions and businesses to: 1. Foster information sharing 2. Reduce duplication, and 3. Leverage economies of scale. * Marketing and Communications - Investment attraction capacity building; Coordination of site selection information and marketing with municipalities; Provide materials and resources as per stakeholder requests. * Plan for future instances of regional economic disruption.	<ul style="list-style-type: none">• Represent all municipal partners in conversation and discussions in relation to economic development. * Work collaboratively with each municipal council and administration. * Confirmation of ACP funding through Summer Village Horseshoe Bay and CanExport Community Investments funding through County for Investor Readiness Project across the STEP region.	<ul style="list-style-type: none">• Represented all municipal partners in conversations and discussions in relation to economic development with stakeholders and government departments. * Initiatives or projects (Rural Renewal Stream, trade deficit, tourism, investor readiness, etc.) have a regional impact or reach. * Extended invite to municipal CAOs to attend STEP Committee meetings to foster greater information sharing.	<ul style="list-style-type: none">•Continued representation of all municipal partners in conversations and discussions related to economic development with stakeholders and representatives. *Support Shared Service Study work to look at areas of collaboration between municipal partners. *Support regional SOP development for maintenance, operations and management of St. Paul and Elk Point Airports. *Develop marketing materials and investor readiness work for all municipal partner communities and assets. *prepare ACP grant applications for regional projects (housing inventory and assessment, lake health, regional recreation assessments) for submission *Support regional businesses through Rural Renewal Stream (RRS) program
	Strategy 7.2				
	Support growth of priority industry sectors	Leverage existing industry drivers within the region to increase economic potential (agriculture, tourism, transportation and logistics, etc.)	<ul style="list-style-type: none">• Working with key stakeholders (i.e., Invest Alberta, Alberta Ag) and industry to drive agricultural opportunities. * Confirmed Northern and Regional Economic Development funding and ACP funding through County for tourism projects; continue to work with consultants on tourism strategy; working with stakeholders (Travel Alberta, Travel Lakeland, Conseil de developement économique de l'Alberta, Go East to identify and plan regional tourism. * Engage with stakeholders in relation to transportation and logistics corridors, including roads, rail and air.	<ul style="list-style-type: none">• Continue to work on Investor Readiness Project to prepare site selection criteria (labour, land and buildings, utilities, taxes/incentives, and QOL) to support key industries: agriculture, tourism, energy, as well as emerging industries such as film and UAV/aviation. Efforts include, attending Site Selection Conference with international speakers and site selectors; proposing a regional approach to an Ec Dev GIS modelling towards land and buildings; meet with Invest Alberta and investors; ag and ag food meetings on local food initiative, Portage food processing, and attending trade fair with processor.	<ul style="list-style-type: none">•Ongoing Investor Readinesss Project - including Pitch Deck and Marketing Materials *Agriculture - met with Invest Alberta and Investor around vertical grow opportunity; identify Ag profiles to be developed; attend local food meetings; connect with local producers and provide resources; draft local food infographic, define Ag Investor Pitch Deck for development; work with Portage to define scope for research project around food processing space; meet Alberta Agriculture Business Development Officer to Tour Portage College and meet with value add processors/producer *Energy - assist MD of Bonnyville with ACP grant application based on Stranded Asset Use Case with Strathcona Resources; RMA Grant submission for Regional Energy project *Tourism - Regional Tourism Opportunity Identification and Destination Development Report complete; meet with Lisa Roper and Travel Lakeland DMO to discuss film opportunities on North Saskatchewan River; continued work with Travel Alberta and DMO on regional projects toward funding

7. Economic Development		Identify new and emerging economic opportunities to diversity and grow the region (AI/ML artificial intelligence/ machine learning, film, waste, etc.)	Identifying and engaging in emerging trends, including film and technology conversations and drivers, that appear to be feasible in the region or with regional stakeholders (i.e. post secondary, ag, energy).	<ul style="list-style-type: none"> Continued to develop Film Profile and website content. Connect with Alta/ML to review AI Airport project, share project scope with aviation industry for feedback. 	<ul style="list-style-type: none"> Support STEM Society on regional Science Fair; provide contacts/opportunities Refine Film Profile/web information Continued examination of UAV opportunities
		Advocate and plan for expanded, lower cost, higher quality broadband across the region.	No activity.		<ul style="list-style-type: none"> Discussions with MCSNet regarding fiber expansion throughout the county
	Strategy 7.3				
	Position workforce development as a cornerstone of regional economic development	Workforce Attraction: Brand and promote the region to attract workers to the region; promote high demand jobs in the region to the workforce; support newcomer projects.	<ul style="list-style-type: none"> Confirmed extension of LMP funding held by County to align with other project funding received. Received Rural Renewal Stream (RRS) Community Designation across the STEP region. Implementation of work plan initiated. Confirmed ACP funding through Town of St. Paul for implementation of RRS workplan. Investigation of rural/remote worker marketing opportunities. 	<ul style="list-style-type: none"> Labour Market Partnership (LMP) skills gap consultations underway and employer toolkit continued. development including County of St. Paul and Town of Elk Point videos completed. Rural Renewal Stream launched with 16 approved employers, 20 Letters of Endorsement issued. Letter to MLA drafted for feedback on program. 	<ul style="list-style-type: none"> Labour Market Partnership (LMP) Skills Gap report completed for review Working on Community Profiles for Employer Toolkit Rural Renewal Stream (RRS) program continued management; provided feedback to Ministry and MLAs on program challenges
		Worker Retention: Youth retention/ Ag retention; human resources for small business.	<ul style="list-style-type: none"> Implementation of RRS workplan includes newcomer supports to retain workers in the region. 	<ul style="list-style-type: none"> Worked with Portage and Village App to ensure community supports are in place for Rural Renewal. Program to support worker retention. Looked at QOL factors and projects that support worker retention including: rural transit and attainable housing. 	<ul style="list-style-type: none"> RRS First Point of Contact hired by Portage College Community Adult Learning Program (CALP) to support and retain newcomers to the region. ACP grant scoped and developed for Housing Inventory and Assessment made on behalf of Town of St. Paul Continue to work with Azimi Consulting to prepare Rural Transit Solutions Fund grant application
		Worker Development: Work with stakeholders to identify training needs; development partnerships to address training gaps, highlight and leverage customer service throughout the region.	<ul style="list-style-type: none"> Labour Market Partnership project work resumed including skills gap analysis and employer toolkit. In partnership with Travel Lakeland, through Prairies Can funding, identify and work with Portage College to deliver Super Host Customer Service training across the region. 	Spoke with business and industry regarding "trade deficit" current and anticipated. Arranged meeting with industry and post secondary (Portage and Lakeland Colleges) and Alberta Trades. Request support of Alberta Hub as a regional initiative.	<ul style="list-style-type: none"> Assist with the scope development for an Alberta Hub lead LMP application for a Trades initiative in collaboration with MD and Town of Bonnyville, City of Cold Lake, Lakeland College, Portage College and Industry. Work with Lakeland DMO and Portage College to support the development of SuperHost customer service training for regional employers based on employer consultation and feedback.

7. Economic Development	Strategy 7.4 Support regional economic development through partnerships and advocacy	Build partnerships and advocate on behalf of municipalities within and beyond the region (i.e. recreation, indigenous relations, newcomer supports, entrepreneurship, etc.)	<ul style="list-style-type: none"> • Building and maintaining partnerships and advocacy within and beyond the region through attendance at Economic Developers Association Conference (EDO), Alberta Aviation Council Conference and other events. • Partner with stakeholders and other northeast Alberta communities on projects that align and leverage resources such as greenhouse feasibility, NE regional airport discussions, engagement on northern corridors. 	<ul style="list-style-type: none"> • Attend Alberta Hub AGM and EDO meetings to bring together regional partners for a regional discussion and allowing for alignment of projects and partnerships. Discussions with MD of Bonnyville towards an energy/food project with industry. Met with business and industry at gas and oil show identifying the current and anticipated 'trade deficit', connecting with other regions and turning to AB Hub for a regional approach. Liaise with Whitecourt EDO regarding Rural Renewal Program. 	<ul style="list-style-type: none"> •Work with MD Bonnyville to define ACP grant application for Stranded Asset Use Case based on collaboration with Strathcona Resources •Work with other designated communities through RRS program •Continue to develop contacts and relationships with consultants, investors, government etc. to promote the region and advance economic growth
				<ul style="list-style-type: none"> • Advocated for STEP and NE region at events and meetings. 	
	Strategy 7.5 Support the STEP (St. Paul and Elk Point) Economic Development Alliance continuation beyond a pilot project	Regionally budget for STEP Economic Development Alliance Officer for 5 year period ending December 2027.	No activity on long term budgeting.	No current activity on long term budgeting.	<ul style="list-style-type: none"> •Plan for work in 2024 on STEP structure and strategic pillars for release in 2025
		Review budget for additional staffing and operational budget, as required, and as the department grows including funds for grant matching when necessary.	Work with County CAO to leverage Intern for remainder of 2023 and budget for full time tourism coordinator/ STEP support position in 2024.	Intern/Tourism Coordinator resigned position. Looking at temporary County position to fill administrative and project support for six months while review STEP structure. Waiting for shared services study feedback and working with consultant.	<ul style="list-style-type: none"> •Hired Municipal Economic Development Assistant as County of St. Paul staff until December 31, 2023 •Budget for 2024 to include staffing Assistant position

8. Emergency Management	Strategy 8.1				
	Ensure Regional Emergency Management Preparedness	Maintain and update the Regional Emergency Management Plan.	No updates in Q1.	No action in Q2.	Information session for regional staff at Team Building Event on November 16 by DEM Kotowich.
		Provide training for staff and Councillors.	Annual update provided to Council in January 2023.		Identify regional employees to serve in IMT for vacant positions.
		Exercise the Incident Command System Plan in conjunction with Emergency Management Agency, and in conjunction with legislation.	No action in Q1.	No action in Q2.	Ongoing operational readiness. No action in Q4.
		Continue to collaborate with Regional Industry Partners to ensure a mutual understanding of each other's capabilities.	Emergency Management Department informed of Council's approval to use County land in Heinsburg for Western Canadian Spill Services training in June 2023.	Planning to bring Emergency Management personnel into discussion with Wind Energy developer to ensure we understand emergency response responsibilities.	Pre-emergency planning session with CNRL planned for Q4 (December).
	Strategy 8.2				
	Increase public awareness and education on public participation	Communicate and educate public to improve community readiness.	No action in Q1.	No action in Q2.	Year end messaging for citizens regarding inclement weather and travel.
		Use Alberta Emergency Alert to notify public regarding incidents. Note the Alberta Emergency Alert will be converted to the National Public Alerting system on March 1, 2023. No action is required from the public. Staff authorized under the old system will complete migration training by the end of 2022.	Complete.		No action in Q4.

9. Occupational Health & Safety

9. Occupational Health & Safety	Strategy 9.1 Continuous improvement of Safety Management System	Review of existing County OHS policies.	Ongoing.	Ongoing as policies come up for review.	Ongoing as policies come up for review.
		Refinement and amendment of County OHS policies into Regional Safety Management System (RSMS) Structure.	All policies are uploaded in Workhub.		N/A
		Incorporation of Regional Safety Management Structure into virtual format.		Everything is on Workhub.	N/A

		Manage the 'Welcome Baby' program, administer and implement changes as required throughout the year.		Ongoing.	Ongoing.
		Administer the Mallaig and Ashmont 'Moms and Tots' program throughout the year.		Ongoing.	Ongoing.
		Manage the 'Care Kits', administer and implement changes as required throughout the year.		Ongoing.	Ongoing.
		Administer the Home Alone program on a cost recovery basis.		Ongoing.	Ongoing.
		Administer the Baby Sitting course on a cost recovery basis.		Ongoing.	Ongoing.
		Administer Community Counseling program throughout the year.		Ongoing.	Ongoing.

		Administer the Volunteer Income Tax program.		Completed for 2023 in March/April.	Completed for 2023 in March/April.
		Coordinate Elk Point Community Information Night.		Planned for September.	Completed.
	Strategy 7.5				
	Provide summer programming throughout the region	Coordinate 'Color Run' in Elk Point.		Planned for Q3 - changed to Scavenger Hunt.	Completed.
		Block Parties with locations to be determined by the new Board.		Ongoing.	Completed for 2023.
		Five 'Movies in the Communities' with location to be determined by the new Board.		Promoting movies on County website Event Page, and on Facebook.	Completed.
		Coordinate 'Summer Programs' in Ashmont, Ferguson Flats and Mallaig.		Promoting programs on County website Event Page, and on Facebook.	Completed for 2023.
	Strategy 7.6				
	Recognize volunteers	Administer Volunteer Appreciation during Volunteer Week.		Completed in April.	Complete.

Public Works: 2023 Quarterly Reporting					
Department	Strategy	Action	Q1: January to March	Q2: April to June	Q3: July to September
	Strategy		Notes that detail progress of action that supports that corresponding strategy.	Notes that detail progress of action that supports that corresponding strategy.	Notes that detail progress of action that supports that corresponding strategy.
1. Transportation	Strategy 1.1 Ensure safe road infrastructure for public	Continue with our Maintenance Program.		Ongoing and trying to be more efficient and stream lined.	Ongoing and continuing to monitor and improve.
		Continue with our Road Construction program.	Road Construction budget is reviewed by Council for 2023.	Road construction projects were approved and are underway.	Road construction projects are ongoing and being completed as per schedule.
		Continue monthly reporting to Council.	Director of Public Works provides monthly report to Council.	Director of Public Works provides monthly report to Council.	Ongoing monthly reporting.
		Continue to utilize road condition assessment software.	GIS/IT Coordinator has set up 10 year plan to review all gravel roads in County.	Assessments are ongoing, then using the data entered to assess and prioritize roads.	Ongoing, will be starting to assess the cold mix roads to determine the quality of roads that need to be repaired to present to Council.
		Continue applications for grants to improve roads.	No Action in Q1.	Grants applications are ongoing, have applied for assistance with bridge files and will be applying for future roads.	Ongoing.
		Continue to improve service for winter maintenance and blading services.	New Snow Flag Program implemented in 2022/23 Winter season. Improvements identified and implemented throughout winter.	No action in Q2.	New county snow flags are being made to distribute to rate payers for the new year, and the new lists will put together for seniors and rate payers.
		Continue to produce high quality aggregate for road maintenance and construction.	No crushing in Q1. Crusher maintenance completed in Q1.	Crusher is running at our Richland pit, crushing product for road surfaces and work projects.	Crusher is still running at Richland but will be switching pits and moving to Batty Lake pit late in Q-3
		Consider implementation of an annual capital contribution for Public Works to be set up in Reserve for specific Road Construction and Maintenance equipment.	Not included in Preliminary budget.	No action in Q2.	No action in Q3
		Consider purchasing a Cold Mix Plant and implementing a small crew to start operating in 2023.	Not included in Preliminary budget.	No action in Q2.	No action in Q3
		Continue to work with our industry partners to offset road maintenance and new construction.	Letters sent to CNRL/Strathcona Resources for consideration of assistance with needed upgrades to Moosehills Road - planned for 2024.	Industry partner CNRL and Strathcona Resources will be partially funding/assisting with the upgrades to Moosehills Road in 2024.	Industry partner CNRL and Strathcona Resources will be partially funding/assisting with the upgrades to Moosehills Road in 2024

1. Transportation		Continue to maintain Bridge files, as necessary.	1 BF to complete from 2022 planned for in 2023. Also BF 70647 planned for 2023.	BF 70647 tender was completed and awarded with a August of 2023 start date. BF 76291 was completed in 2022, however the road surface needs to be completed by the county in fall of 2023 to completely done. BF 70105 was submitted for emergency authorization in May of 2023 and it was approved. this job will be completed in August 2023.	BF 70647 is schedule to begin later than anticipated, due to weather delays with the contractor. Expected to begin in Q4. BF 76291 road surface now completed by the county of st paul and the job is closed. BF 70105 is now also completed in september.
		Implement and execute per the Snow Flag Policy for 2022/23 winter season.	Completed.	No action in Q2.	New county snow flags are being made to distribute to rate payers for the new year, and the new lists will put together for seniors and rate payers.
	Strategy 1.2 Improve communications with residents about Public Works	Continue to use concern/complaint tracking system that creates work orders.	No action taken in Q1.	No action in Q2.	No action in Q3.
		Be proactive in providing advance notice of road work to residents via Social Media, website and road signage.	As information becomes available. Communicated safety information around snowplows.	Ongoing communication i.e. road bans/ road bans lifted, road closures, graders out and safety message. Updated information on Public Works webpage regarding 2023 road projects.	Ongoing.
		Communicate about winter maintenance and brushing scopes of work.		No action in Q2.	No action in Q3.
		Publicize and share the dollars saved through self performing the levels of service the County provides.	Council made a resolution to remove sign along TWP 582 in Q1.	No action in Q2.	No action in Q3.
		Continue to educate all of our partners and clients on the efficiencies that have been gained.	Heavy Oil Meeting held in Q1 to finalize 2022 results.	Heavy oil meeting was held on May 30 to discuss future projects and roads in 2023.	Continue to work on jobs that both county and CNRL have agreed upon.
		Utilize Munisight to its fullest extend and share our construction, oiling, road gravelling, dust control, mowing and spraying scopes with our clients and residents through our website.	Council has been provided maps to update to show requested scopes of work for 2023 and forward. This will be updated on GIS and available for Council members.	Divisional maps were provided with 2023 jobs and projects and were approved in Q2.	Continue progress on approved jobs as per council.

1. Transportation	Strategy 1.3 Improve the Aggregate Management Program	Continue with the Aggregate Cap Levy.	Ongoing.	Ongoing in Q2.	Ongoing in Q3.
		Review Aggregate Pit Status and reclamation.	This is part of the Financial Audit each year. Planning by Crusher Supervisor and Construction Manager.	Ongoing in Q2. Plans to reclaim Labreque Pit in Q3.	Ongoing in Q3, Labreque pit now reclaimed in Q3.
		Review and amend the planning and development permitting for active pits and new pit registrations.	Ongoing.	Ongoing in Q2.	Ongoing in Q3.
		Continue to administer quarterly reporting structure on producing pits.	Ongoing.	Ongoing.	Ongoing in Q3.
		Continue to explore for new gravel sources and testing.	Gravel testing commenced in Q1.	No action in Q2.	Ongoing in Q3.
	Strategy 1.4 Leverage the Gravel Sales Program	Continue Aggregate Private Sales Program.	Private sales orders commenced March 1, 2023.	Private sales program up and running for 2023 season.	Private sales program still ongoing in Q3.
		Increase private gravel sales to \$18/T.	Completed.	No change in Q2.	No change in Q3.
	Strategy 1.5 Maintain Equipment & Facilities	Continue to maintain equipment & facilities.	Ongoing.	Ongoing.	Council approved adding additional funds to the maintenance/parts budget in Q3.
		Reduce costs towards repairs on equipment & facilities		Ongoing.	Continuing to find the best prices for repairs to equipment and facilities.
		Plan for replacement of aging equipment.	Equipment replacement planning part of budget process.	Equipment replacement was prioritized and some equipment was ordered to replace aging pieces as per budget allotment.	Continue to monitor and plan for updating aging equipment as required.
		Minimize equipment that is outside of warranty.	Graders on order - long delivery due to supply chain issues.	One of the new graders has arrived in Q2, second one to arrive in Q3.	Other grader has arrived and is working in Q3.
		Ensure efficient utilization of equipment and assets.	Ongoing.	Ongoing.	Ongoing.
		Maximize resale of all equipment.	Review sale options through auction or advertisement. No direct sales.	Sales of aging equipment to be discussed with council to ensure the proper steps are taken and the best value is available.	No action in Q3.
		Continue with a high level of maintenance by all operators and mechanics.	Ongoing.	Ongoing.	Ongoing.
		Maintain our facilities/reduce unnecessary repairs.	Planning for upgrade of washroom facilities at Public Works shop.	Ongoing.	Seeking estimates for roof repair at Public works shop, repair to be completed in Q4.
		Leverage the Energy Management Program to efficiently operate our facilities.	Ongoing.	Ongoing.	Energy management program no longer in use. Still seeking any grant opportunities or offers that may come through.

2. Utilities	Strategy 2.1				
	Ensure safe supply of water to residents of Mallaig, Ashmont, Lottie Lake and rural residents along the transmission lines	Maintenance of transmission and distribution lines.		Ongoing, no action in Q2.	Ongoing, no action in Q3
		Review costs of water rates for those communities.		Currently tracking time to see what hours are spent in each hamlet. Ongoing process.	Continuing to track in Q3.
		Track water line breaks on GIS.	Ongoing.	Ongoing.	Ongoing.
		Pursue new infrastructure for those hamlets.		Currently working with urban systems on design and condition of infrastructure.	Ongoing and working with urban systems.
		Repair outlet line at Lottie Lake to prevent the seepage back into the system.		No action in Q2.	No action in Q3.
		Work towards strategy to implement and fund the replacement of water distribution systems. Consider prioritizing problem areas in phase one including: * 4" Main water line that sits directly under the main street in Ashmont * Bore a line under the contaminated section of trail in Ashmont * Inspect manifold system on distribution lines in plant and replace worn out equipment.	Council is considering funds to further examine underground infrastructure in Ashmont to finalize proposed cost for increased maintenance, relining of sewer lines, and replacement of water lines.	Ongoing. Cam Track is coming into Ashmont in the fall to camera and cut extruding pipes and flushing the system.	Cam track is now complete with Ashmont and Mallaig, working with urban systems to review the results of the CCTV.
	Strategy 2.2				
	Ensure maintenance of sanitary lagoons and collection systems	Continue to report on maintenance.	Ongoing.	Ongoing.	Ongoing.
		Budget to clean all sanitary lines prior to inspections. Focus on the trouble spots where camera could not access (Ashmont & Mallaig).		Projected fall time for flushing of lines.	Flushing is now complete in ashmont.
		Continue with annual enzyme treatment program.	Ongoing.	Ongoing.	Ongoing.
		Work towards strategy to implement and fund the replacement of water distribution systems. Consider prioritizing problem areas in phase one including: Replace a sewer main that crosses Hwy 28 due to sagging of pipe.	Council is considering funds to further examine underground infrastructure in Ashmont to finalize proposed cost for increased maintenance, relining of sewer lines, and replacement of water lines.	Sewer System condition assessment in 2023 to help finalize replacement/ maintenance plans.	Ongoing with urban systems.

2. Utilities	Strategy 2.3				
	Consider consistent rate structure for use of County wastewater facilities	Review fees for truck dumping at lagoons and Lafond Transfer Station.	Fees increased effective January 1, 2023.	No Change.	No change in Q3.
		Review permitting process for sewage haulers.	Completed.	Completed.	Completed.
		Implement a reporting structure for all sewage haulers.	Completed.	Completed.	Completed.
	Strategy 2.4				
	Explore alternative wastewater treatment processes at all lagoons to reduce maintenance costs and improve effluent quality	Continue to gather more information from wastewater treatment.	No action in Q1.	Have reached out to Cleartech to come up with some options to move forward with, however every thing is extremely pricy.	Ongoing in Q3.
		Continue to explore funding opportunities for new technologies.	No action in Q1.	No action in Q2.	No action in Q3.
		Continue to discharge Whitney Lake Lagoon onsite per Banner and Alberta Energy Regulation approved guidelines.	Winter - no discharge.	Currently discharging using the banner system and conducting weekly tests.	Ongoing in Q3.
		Consider upgrade to alarm systems for sewer/ water in Ashmont and Mallaig.	No action in Q1.	Currently waiting for (BIRD) to come in and give us a review of any changes that can be made.	Held a meeting with BIRD they are now reviewing the controls that could be upgraded with the infrastructure replacement plan.
		Implement aeration pilot with STW Environmental Solutions at Whitney Lake Lagoon and analyze results. Consider further use of this technology at other lagoons.	Winter - no action.	No action in Q2.	No action in Q3. removed the pumps and no longer required.

3. Energy Management	Strategy 3.1 Work with the regional municipalities on improving energy efficiency throughout the municipal owned buildings and facilities	The Grant Funded MEM (Municipal Energy Manager) is in place until May 30, 2023.		MEM Grant program ended 1 May 2023. Staff member retained in Public Works with some energy management duties in his scope of work.	Ongoing in Q3.
		Continue to perform energy scans on all facilities owned by the municipalities and community organizations.	Ongoing.	Ongoing	No action in Q3.
		Continue to review and apply for all available grants to support the improvement of facilities to become energy efficient.	No grant applications in Q1.	Considering application under RMA Microgrant program.	No action in Q3.
		Consider the Solar PV Project for Public Works main shop.	Not included in Preliminary budget.	No action in Q2.	No action in Q3.
		Consider implementation of the Clean Energy Improvement Program.	Council has received presentation - will need to make decisions regarding grant application/funding for program.	No action in Q2.	No action in Q3.

4. Airports	Strategy 4.1				
	Collaborate with Town of St. Paul and Town of Elk Point for maintenance and improvements at local airports	Continue with snow/ice removal at both airports.	Ongoing - Working with HM Aero - consultant working on Elk Point Airport IASP to complete operations plans for both Elk Point and St. Paul Airports as part of ACP project.	N/A	Awaiting proposed maintenance operations plan from HM AERO, will have in place in Q4.
		Utilize Industry Standard ice control products for 2023/24 winter season.	This will be part of Operations Plan.	This will be part of the Operations Plan.	Awaiting operations plan to ensure the best methods are utilized.
		Participate in capital upgrades for both airports.	No upgrades planned for 2023.	Nothing planned for 2023.	Nothing planned for 2023.
		Apply for funding for capital upgrades.	No action in Q1.	Town of St. Paul Airport is considering STIP application for pavement overlay on the runway following condition assessment by HM Aero.	Planning on partnering with the Town of St. Paul for 2024 resurfacing of runway.
		Investigate funding for St. Paul Airport Runway Overlay.	Condition Assessment completed on St. Paul Airport. Will need to look for funding for asphalt overlay in 2024.	See above.	See above.
