Info on the required forms and deposit can be found on the County website under '[Governance > 2025 Municipal Election](#)'.

The County will **hold Advance Vote Polls** on October 9, 10, and 11 at the St. Paul Legion for all Divisions and on October 11 at the Elk Point Seniors' Centre for Divisions 1, 2, and 3. Each advanced day will be open from 10 a.m. to 8 p.m.

ADMINISTRATION

To better align with provincial legislation, the County has **requested the Town of St. Paul to amend Bylaw 2020-07**, Town of St. Paul Library Board Bylaw, regarding County participation. The County will also approach the Elk Point Municipal Library for consideration of an Intermunicipal Library Board.

The County will continue negotiations with the Town of St. Paul and Town of Elk Point for an **extension on the Multi- and Bi-Lateral Recreation Agreements to December 31, 2026**.

Council is **providing a letter of support** to the prospective owner of the Boyne Lake General Store to continue the existing Class D General Merchandise license under new ownership.

The County is **sponsoring \$3,000 to the Jr. B Canadiens Hockey Club** for the 2025-26 season. The sponsorship includes mesh County logos in the Clancy Arena ice.

BYLAWS AND POLICIES

Bylaws and Policies can be found on the County website under '[Governance > Bylaws & Policies](#)'.

Council gave **first reading to Bylaw 2025-11**, for the Onicikiskwapowin Crossing (Saddle Lake) Area Structure Plan. A Public Hearing will be held at a later date while final edits for the ASP are completed.

Bylaw 2025-09 Direct Control Heinsburg was amended, due to a typographical error in the Lot descriptions. The original Bylaw referenced Lots 1 - 3 & West Half of Lot 4 Block 1 Plan 4950EO when it should simply be Lots 1 - 3 Block 1 Plan 4950EO. This amendment does not change the new land control district.

Council approved **amendments** to DEV-4 **Reserve Lands Management Policy**.

COMMUNITY SERVICES

Access to Lac Bellevue will remain open for the remainder of the year and into the winter. Residents can keep using the boat launch during the nice Fall weather and the lake for ice fishing after the freeze. Camp sites and the playground will not be open.

ECONOMIC DEVELOPMENT

STEP Economic Development received the **final report of the Windsor Salt Plant feasibility study**. The report will guide Phase 2 of the project to repurpose the site, including analyzing the preferred reuse, developing investment-attraction collateral, targeting various groups, and preparing a go-to-market plan.
