Skid Steer with Mulcher Purchase 2023

The Town of Elk Point invites interested bidders to submit their tender for a skid steer with mulcher. This unit is required for the performance of town maintenance. The mulcher component is intended to be used to increase the footprint of the town's campsites; other uses include clearing brush in town maintained recreational areas. Attached are the specification details required. If your submission does not meet, or exceeds, the minimum requirements, please list the variance in the column next to the specification. Tender documents may be obtained from the Alberta Purchasing Connection or from the Town of Elk Point website, www.elkpoint.ca.

Thank you for your interest.

As per the Town of Elk Point's Purchasing Policy 3-3-15, tenders shall be checked for compliance with all required elements and additions before proceeding with recommendation of acceptance. A recommendation for acceptance of a tender that does not meet all requirements must be justified. By the act of submitting its bid, the Bidder waives an right to contest in any legal proceeding or action the right of the Town to award the work to whomever it chooses, in its sole and unfettered discretion, and for whatever reasons the Town deems appropriate. Without limiting the generality of the foregoing, the Town may consider any other factor besides price and capability to provide the goods that it deems in its sole discretion to be relevant to its decision including but not limited to the following:

- ✓ Unit price
- ✓ Availability of parts and service
- ✓ Warranties offered
- ✓ References
- ✓ Delivery date(s)
