

Elk Point Honours Dedication at the Elk Point Fireman's Ball

On February 7th, 2026, the Town of Elk Point was proud to see our community come together for the Elk Point Fireman's Ball, generously hosted by the Elk Point Firefighters Association. The evening was a meaningful celebration of service, dedication, and the strong community spirit that defines our town.

We would like to extend our heartfelt thanks to speakers Senator Patti Laboucane-Benson, MLA Scott Cyr, County of St. Paul Councillor Gerald Michaud and Town of Elk Point Mayor Wanda Cochrane for their insightful and inspiring speeches. Your contributions truly made the event memorable. We were thrilled to see such a fantastic turnout this year, with 230 tickets sold—100 more than last year—demonstrating the growing interest and support for this event. We are excited to watch it continue to grow and can't wait to see what future events will bring.

From the evening program recognizing firefighters' service to the strong community turnout, the event was a wonderful reminder of how much Elk Point and the County of St. Paul supports those who dedicate their time to protecting others. Our firefighters give countless hours to training, emergency response, and community service, and they truly represent the best of our region. Volunteer fire departments are the backbone of public safety in many communities, and we remain committed to ensuring they have the support and resources needed to carry out their critical work.

On behalf of Town of Elk Point Council and Administration, thank you to the Elk Point Firefighters Association for hosting such a meaningful event and to everyone who attended in support of our local firefighters.
