Does COVID-19 have you unexpectedly working from home? This webinar is for anyone who is confused about how to collaborate and be productive by working from home. Take tips from the pros – we do this every day!

Working From Home Webinar

(10:30am-12:00pm)

TOPICS

- How COVID-19 accelerated the change that was already inevitable
- How to avoid/deal with interruptions from pets, kids, family, etc.
- How to stay productive
- How to best communicate with staff remotely and the FREE tools you can use to do so
- How to collaborate on documents together using Google GSuite (Free/Paid)
- Project Management tools that will setup your staff for success with deadlines and reminders (also FREE!)

ROB HOLE

Co-Founder & Lead Strategist @ Octopus Creative Inc.

A gamer & true geek; Rob has helped build and scale businesses through marketing, process, and automation. Rob started building websites when he was 11 (about the same time Google was born) so, naturally, he eventually made a career of it. His experience and passion for business development, management and sales, paired with modern marketing, allows him to view business holistically and patch the holes in the boat before they set sail.

The Province of Alberta is working in partnership with the Government of Canada to provide employment support programs and services.
