### **The Carisbrooke Morning Club:**

Beginning October 1<sup>st</sup>, we will be offering extra academic support for students in grades 4 - 7 on Mondays, Wednesdays and Thursdays during the *Morning Club*. Student in grades 4 - 7 are invited to bring their school work and receive additional support from two of our Education Assistants. Here's how it will work for those students who are interested in participating:

- Students will enter the school building using the entrance by the gym.
- The gym entrance will be open from 8:00 - 8:10 am. If students do not arrive at the gym entrance before 8:10 am, they will need to wait until the regular 8:46 am bell to enter the school with all of the other children.
- Between 8:00 and 8:10 am, students will go directly up to Room 207 and start working; they might be doing extra practice in a particular subject area, getting help with an assignment, studying for an upcoming test, etc. Unfortunately, I-Pads and laptops will not be available for student use at this time, nor will students have the chance to go to their own classroom for supplies.
- In Room 207 there will be up to three Education Assistants supporting *all* of the students present. Support will be provided in small groups; this is not an individual tutoring time.
- Once students are in Room 207 they will be expected to stay until the first school bell at 8:46 am, at which time they will go directly to their division classroom.

Once again, this is an invitation to any of our grades 4 to 7 students to come in early for extra support on any of our regular school days from 8:00 am – 8:46 am.

Please note: Students must bring “work” with them.

If you have any inquiries, please contact Ms. Upton at [lupton@sd44.ca](mailto:lupton@sd44.ca).

Thanks!
