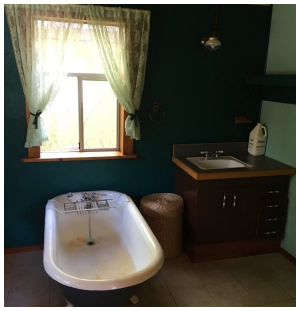
Blk O Jakes Landing, Sechelt

$150,000



Government Lease, water access only. Situated on the quiet waters of Sechelt Inlet. 30 minutes by boat from Sechelt or 15 minutes from Egmont. This is one of the nicest lots in the seaside community known as Jake's Landing. This house is very well constructed. Nice board and batton exterior, large sundeck, covered deck off the master bedroom. The appliances are propane and the water comes from a mountain creek. The home is hooked up to a septic system, no out house. This is an excellent opportunity to add a little hard work to the garden and a little upkeep to the house and have a great vacation get away.
