FIND VOLUNTEERS

What ministries or areas of your church are doing great and always have enough volunteers?

What ministries or areas of your church are in need of more volunteers (right now or consistently)?

Brainstorm ways you can attract volunteers to serve at your church:

KEEP VOLUNTEERS

- ☐ Are all of your volunteers grouped together using Groups (ChMS) or Attributes (Premier)?
- ☐ Utilize WorshipPlanning, a free tool to help schedule your volunteers!
 - Encourage your volunteers to use the calendar to mark dates they will be unavailable to serve. This will help you as the planner not have to go find substitutes as often or at the last minute.
 - Enable texting notifications so volunteers will always know when they've been scheduled to volunteer.
 - Use your existing Groups (ChMS) and Attributes (Premier) to pull in new volunteers with no extra steps needed.
